

ROODEPOORT CBD TRANSPORT MASTERPLAN

PUBLIC MEETINGS

The **City of Johannesburg** is committed to the urban regeneration of the Roodepoort CBD. The **Transport Department** is currently developing a Transport Masterplan for the Roodepoort CBD which will guide public and private sector investments in transport in the area.

The baseline assessment of the plan has been completed and you are invited to public meetings where this will be presented. The project team would also like to receive feedback / inputs or ideas for the improvement of the transport system from stakeholders. These inputs will help guide the development of the plan.

A physical public meeting will be held on **Wednesday, 21 April 2021** from **14:00** to **16:00** at the **Roodepoort City Hall**.

A virtual public meeting will be held on **Thursday, 22 April 2021** from **17:00** to **19:00** on **MS Teams**. The public can request an electronic link to the virtual meeting invite to Pumza Mvinjelwa at pumzamv@joburg.org.za or [Click here to join the meeting](#).
