

SOCA 2023

11 Mayoral Priorities

Good Governance

Implement measures to improve transparency, accountability, and citizen participation in government decision-making, such as regular CBP feedback, and public SCM procurement reforms.

Active and Engaged Citizenry

Develop programs and initiatives to encourage citizen participation in government decision-making, co-producing service delivery, including community-based planning meetings, participatory budgeting, and improved feedback mechanisms.

Financial Sustainability

Develop a plan to improve the city's revenue collection and billing systems, prudent financial management practices, streamline expenditure, and prioritize investments in high-impact projects.

Safer City

Work to improve public safety through initiatives such as community policing, investment in technology and infrastructure, and increased resources for law enforcement.

Energy Mix

Develop a comprehensive plan to transition the city to a more diverse and sustainable energy mix, including increased investment in renewable energy sources and energy efficiency initiatives.

Sustained Economic Growth

Work to attract new businesses and investment to the city, particularly in sectors such as green energy, technology, and infrastructure, and prioritize policies that promote inclusive economic growth.

Sustainable Service Delivery

Focus on delivering high-quality and reliable services to all residents, with a particular emphasis on historically underserved areas, and work to reduce waste and improve efficiency.

Green Economy

Develop a plan to promote the growth of the green economy, including increased investment in green manufacturing and job creation, renewable energy, energy efficiency initiatives, and sustainable agriculture and food security.

Infrastructure Development and Refurbishment

Prioritize key infrastructure projects, such as road repairs, water and sanitation upgrades, and public transportation improvements, and work to ensure that all projects are completed on time and within budget.

Smart City

Work to attract new businesses and investment to the city, particularly in sectors such as green energy, technology, and infrastructure, and prioritize policies that promote inclusive economic growth.

Job Opportunity and Creation

Develop a plan to create new jobs, particularly in sectors such as green energy, technology, and infrastructure, and ensure that all job creation efforts are equitable and inclusive.
