

## Inner City Parking Stress Surveys

### Draft Parking Management Plan

The City of Joburg (CoJ)- Department of Transport in partnership with Johannesburg Development Agency (JDA), is undertaking “Inner City” Parking Stress Surveys in “selected” streets located in the following areas:

- Maboneng (Ward 61)
- Berea (Ward 63 - 64)
- Kensington (Ward 118)

The areas or specific streets were chosen due to high levels of traffic congestion, illegal parking, compromised public transport vehicle movement and inadequate space for “drop and go”.

Residents, stakeholders and interested parties are invited to comment on the **Draft Parking Management Plan** as developed for these areas mentioned above. If you are interested to obtain a copy of the “Plan”, you can send an email to: [nobuntud@joburg.org.za](mailto:nobuntud@joburg.org.za) or [pumzamv@joburg.org.za](mailto:pumzamv@joburg.org.za). Alternatively download a copy on [www.joburg.org.za](http://www.joburg.org.za) or [www.jda.org.za](http://www.jda.org.za).
