### Region B Open Day to take place in Coronationville

Region B residents will this Saturday, 06 May 2023, have the City of Johannesburg's Open Day come to their area in Coronationville.

The City's Group Finance Department invites residents from the following areas, Coronationville, Melville, Emmarentia, Parkhurst and surrounding areas, to attend the scheduled Open Day. The Open Day will be held at Coronationville Community Hall.

The City will bring its experts from City Power, Joburg Water, Valuation, Billing, Property Rates, Expanded Social Package (ESP), amongst other services to the Open Day.

The family friendly Open Day brings together the City's multifaceted services right at the residents' doorstep.

Group Finance's Director of Customer Communications, Kgamanyane Maphologela, says the Open Day will serve as a platform where residents can engage with City's entities and various departments regarding the service offerings.

"We encourage residents with long standing queries to attend the Open Day. We have made available our professional staff, who will be able to assist residents with their queries on the day," said Maphologela.

Maphologela said the Open Days continues to demonstrate the City's commitment to be customer centric.

"We continue to roll-out Open Days across the City's regions by bringing our services closer to communities," said Maphologela.
