COMMUNITY DEVELOPMENT

**AMENDMENT OF TARIFF OF CHARGES FOR
2026/27:**

**LIBRARY AND INFORMATION SERVICES;
ARTS, CULTURE AND HERITAGE SERVICES;
SPORTS FACILITIES, RECREATION
CENTRES AND SWIMMING POOLS.**

1. STRATEGIC THRUST

Improving and strengthening the city's financial position.

2. OBJECTIVE

To obtain approval for the amendment of Tariff of Charges for Community Development: Library and Information Services; Museums, Arts, Culture and Heritage Services and Sports Facilities, Recreation Centres and Swimming Pools for the 2026/27 financial year.

3. BACKGROUND

During the 2025/26 financial year, Community Development Finance together with Sport and Recreation; Arts, Culture and Heritage and Library Information Services undertook the exercise to review the current tariffs and standardise certain tariffs across all directorates while implementing uniformity in the hiring of its facilities. Where tariffs remained unchanged, the parameters for the increases for the next three financial years from 2026/27 to 2028/29 of 3.60%, 3.70% and 3.50% respectively have been applied.

4. HIRING OF COMMUNITY DEVELOPMENT FACILITIES

The general conditions of hire and the booking procedures have been applied to all Community Development facilities. To increase access to all facilities, free utilisation of facilities in line with programmes is included in the tariff structure.

A "user pay policy" is implemented where facilities are in reasonable condition. Tariffs vary from region to region as well as directorates. Blanket uniformity in the tariff structures cannot be achieved across the City of Johannesburg, due to differences in the socio-economic groups serviced, different target markets, accessibility of services, size of facilities, previous imbalances and the facility status.

The City of Johannesburg internal departments who wish to utilize any of the Community Development facilities are required to pay the full hire fee for the use of the facilities and follow the general conditions of hire. All requests must be made in writing by the head of the department on the official letterhead. An inter-department charge will be raised via journal for the charges.

Clients who wish to secure a booking in the current financial year for the next financial year will be charged the current financial year tariff, however, the booking fees including refundable deposit will need to be settled in full in the current financial year.

New Groups using facilities will get the first two months free and thereafter will be required to pay the normal tariff. Group rental contracts are required to be signed.

COMMUNITY DEVELOPMENT

4.1 General Conditions for Reduced Fees:

4.1.1 50 % Discount:

A 50% discount will apply in respect of bookings made by the following groups/organizations. All users and venue hirers will sign a venue hire contract stipulating the terms and conditions.

- Educational and learning institutions including early childhood development;
- Persons with disabilities (PWDs);
- Registered Political parties and Structures of Civil Society;
- Registered Non-Governmental Organisations;
- Registered Non-Profit Organisations;
- Registered Non-Profit Companies;

An official letterhead with the company name and registration number must accompany all applications for a 50% discount as well as a copy of the registration.

4.1.2 Free usage

- a) Free usage of facilities during the off-peak periods (8:00 till 13:00) is introduced in the tariff structure to encourage unemployed youth and senior citizens to make use of City facilities in a structured fashion;
- b) Development Groups: Groups that are initiated by the Directorates or in partnership with an NGO or other stakeholders;
- c) Memorial Services and funeral service of Council Employees and Councillors on the recommendation of the relevant Executive Head of Department (employees) and Speaker of Council (councillors);
- d) Community Forum Meetings (e.g. CPF). A letter from Ward Governance with details of the event is required. This excludes political party events;
- e) Priority codes that have signed an agreement with the directorate.

All users interested in hiring any of the Community Development facilities regardless of whether they qualify for free usage or a discount are required to fill in all relevant venue hire contracts.

In respect of the above the following conditions will apply:

- Responsibilities in cases of damage or breakages and cleaning will be borne by the responsible person in the department or organization using the facility;
- Where free usage is applicable, a usage contract should be completed;
- The Culture and Recreation by-laws should be strictly adhered to;
- This tariff report allows the Executive Director: Community Development to waive tariffs for specially designated groups and sub-delegate this function to the Director: Sport and Recreation, Arts, Culture and Heritage and Library Information Services should the need arise.

COMMUNITY DEVELOPMENT

- The tariff schedule should be read in conjunction with the main report;
- Facilities are hired voetstoots.

4.1.3 GENERAL RULES

- The duration of a full hire period is equal to 8 hours;
- Usage of a venue for up to 4 hours is 50% of the tariff;
- Hire of a venue is related to the space and not according to the type of function. It is informed by the venue and period of use;
- Set-up and Break-up tariffs: First 2 hours will be no charge, 2 to 4 hours is 50% of the tariff and 5 hours and more the full tariff will apply;
- Kitchen usage is free of charge, except where a separate fee is stated;
- The waiving of tariffs does not necessarily imply the waiving of the deposit. This is in terms of managing risk. The responsible directors have the discretionary power to increase the amount of refundable deposit depending on the risk of the function/event.
- Refundable deposit is charged according to the risk of the function. High risk is equal to 100% of facility hire. Medium risk is equal to 50% of facility hire. Low risk is equal to 25% of facility hire. Risk will be determined by the facility manager based on the function;
- Hourly / session rates are proportionate to the hall hire fee.

5. LIBRARIES AND INFORMATION SERVICES

5.1 Charges in General

In terms of the Policy on the Management of Resources and Facilities of Library and Information Services as approved by Council, Library and Information Services (LIS) provides free basic library services to all who work, study and live (residents) in the City of Johannesburg as well as free access to electronic services to all, to increase access to library resources/information.

Charges are raised for value-added services that address the needs of only a limited number of users (e.g. borrowing audio-visual material, orchestral music, bulk vocal scores) or for customized information packages and literacy services to small businesses. Other charges in the schedule relate to compensation for the abuse of privileges, loss or damage to library resources, hiring of auditoriums or meeting rooms and photographing of library material or filming and photographing on library premises for commercial gain.

Although LIS follows the budget parameters for the increases, the following methodology is applied as well:

COMMUNITY DEVELOPMENT

- Every financial year, LIS reviews tariffs and considers the input, comments, queries and suggestions from library users, community members and frontline staff at facilities.
- LIS compares charges with the tariffs of neighbouring municipalities/metropolitans and fees charged by the Post Office and other commercial shops for photocopying and printing, etcetera. Therefore, the tariffs for 2026/27 are based on the above considerations and the budget parameters set at 3.60%, 3.70% and 3.50% for 2026/27, 2027/28 and 2028/29 financial years respectively.

5.2 Basic Services and Tariffs

Except for non-residents and visitors, access to basic services will remain free.

Basic services include:

- a. Adult residents (including students and senior citizens) can borrow a maximum of six (6) books /single music scores of which a maximum of 4 single music scores may be included;
- b. Children and young adults (teenagers) can borrow a maximum of four (4) books;
- c. Organisations, except for profit or commercial organisations can borrow up to a maximum of ten (10) books/single scores;
- d. Schools may receive block loans of between ten (10) and thirty (30) books per class;
- e. The homebound may receive twenty (20) books at a time;
- f. Old Age Homes and literacy organisations may receive book deposit loans according to need;
- g. As part of the LIS eLearning programme, electronic services membership is free and open to all citizens and visitors to the City of Johannesburg.

5.3 Value-Added Tariffs

Annual user charges apply for the following value-added services:

- a. Additional books/single music scores are not offered to members (adults, senior citizens, students, children and young adults. The maximum number of books an adult member wishes to borrow is six (6) and for a child/young adult is four (4).
- b. If a member or organisation wishes to borrow items from the student collections or audio-visual items, orchestral music and bulk vocal scores. An additional handling fee per orchestral set and bulk vocal scores will be charged.
- c. Customized information packages, for example for researchers, and travel information packages are prepared on request for individuals. Previously charged at an hourly rate, this will be changed to a flat fee based on the level and depth of the information required. Two types of packages will be available, namely the Standard Research package, charged at R131,00 where a basic compilation of information is required and an Advanced Research package, charged at R393,00 for compilation of information from the specialist collections or which requires tracking information from multiple sources. The tariff excludes delivery costs which will be borne by the individual.
- d. A handling fee of R630.00 will be charges for all international customers requiring information packages and photography of library material.

COMMUNITY DEVELOPMENT

-
- e. Literacy services for small businesses (less than twenty employees) requiring computer-based literacy services where charges are determined per learner and in terms of training hours needed by the learner to pass the relevant examinations. A sliding scale of charges in relation to the number and literacy level of enrolled learners per company is applicable.
 - f. Previously the scanning facilities were provided for free. However, LIS Management has established that some corporate and private individuals are making excessive use of the free scanning facilities at libraries. This is to the detriment of LIS, as all usage of the photocopy machines (including scanning to email or USB) is charged to the City. For personal use, the scanning will be free for the first ten (10) pages to students, learners, library users and community members and thereafter a charge of R1.00 per page for an A4 greyscale or colour scan and R2.00 per page for an A3 greyscale scan or colour scan. For businesses/corporations, no free scanning services are permitted. A charge of R1.00 per page for an A4 greyscale or colour scan and R2.00 per page for an A3 greyscale scan or colour scan.

5.4 Exclusion from increases

It is proposed that the increases of 3.60%, 3.70% and 3.50% for 2026/27; 2027/28 and 2028/29 financial years respectively not be applied to:

- a. Audio-visual items: Due to the technical obsolescence of some audio-visual equipment (e.g. tape cassette players, record players and video cassette players), Library and Information Services no longer purchase tape cassettes, records and videocassettes. Should any existing items of these formats be damaged or lost, they will be replaced with an equivalent item in a CD or DVD format or the cost thereof. Similarly, the replacement cost for audiobooks will be more than the stipulated recommended increases as audiobooks previously acquired on tape cassettes will be replaced with an equivalent item in a CD or DVD format or the cost thereof.
- b. Reference books: If the value of the reference items in the Johannesburg City Library Special Collections is greater than the proposed replacement cost for general reference items, it is recommended that the replacement tariff of these items be equivalent to the value of a replacement copy of that item.

5.5 Tariffs for Facilities at Johannesburg City Library and Sandton Library

The facilities for public use available at the Johannesburg City and the Sandton Library are different from those available at other library facilities, e.g. auditoriums are available and not just activity rooms. The tariffs for these public-use facilities are therefore reflected separately in the Schedule of Charges.

It is proposed that the Library Information Services tariffs as reflected in “**Annexures A & B**” be implemented as of 01 July 2026.

6. SPORT, RECREATION AND SWIMMING POOLS

The tariffs for 2026/27 are based on the budget parameters which have been set at 3.60%, 3.70% and 3.50% for 2026/27, 2027/28 and 2028/29 financial years respectively. The general rules regarding the hiring of the facilities are outlined in paragraph 4 above. Swimming Pools

The tariff structure for swimming pools has been amended to accommodate the challenges faced by the department and to align the tariffs to other Metropolitan Municipalities in the country. Heated pools have been removed from the tariff structure. A separate tariff for Linden Pool has been introduced as it operates for twelve (12) months. All other pools operate for seven (7) months. The sale of season tickets has been replaced by monthly tickets. Monthly tickets are valid for the month the ticket was procured ending the last day of the month. Monthly tickets are nonrefundable and nontransferable. It can be utilised at any City of Johannesburg revenue pools except Linden, Orlando and Southern Suburbs pools. In the event of an unplanned temporary closure due to operational or service-related issues, the City may, subject to availability and operational feasibility, permit affected monthly and school season ticket holders to access alternative COJ swimming pools. Tuck shops will only be rented monthly and all the legislative requirements to sell food and beverages need to be complied with. The tariffs for swimming pools were amended according to the budget parameters of 3.60%, 3.70% and 3.50% for 2026/27, 2027/28 and 2028/29 financial years respectively.

The following conditions apply to swimming pools:

- i. Children involved in a sport and recreation structured program at swimming pools will gain free access to all pools between 08:00 and 13:00 during the week, thereafter the normal tariff will be applicable.
- ii. Swimming pools also make provision for small birthday parties, corporate team building functions, baptisms and hiring of the pools after hours in line with special terms and conditions.
- iii. New swimming pools that will become operational in the 2026/27 financial year are Ivory Park Swimming Pool in Region A, Jabulani Swimming Pool in Region D and Drieziek Swimming Pool in Region G. These pools will be categorized as revenue pools.

COMMUNITY DEVELOPMENT

- iv. The following swimming pools will remain free to the public for the 2026/27 financial year:-

Region B	Region C	Region E	Region F
Roosevelt Park Verity Park Kensington B Robin Hills Windsor East Windsor West Osche Square B	Davidsonville	East Bank	Moffat Park Hofland Park Robertsham

It is proposed that the Sport, Recreation and Swimming pool tariffs as reflected in “**Annexure C1 to C16**” be implemented as of 01 July 2026.

7. ARTS, CULTURE AND HERITAGE

The Directorate of Arts, Culture and Heritage manages amenities in the form of arts centres and museums that supply tangible and intangible services to the public for a charge. Charges are made for these diverse services in the form of entrance fees, hire of equipment and facilities, filming, supply of images of objects, postcards, posters, publications and other printed matters as well as photocopies.

The Arts, Culture and Heritage facilities are located primarily in Regions D, F and C. They are:

Museums and Galleries

The City of Johannesburg museums and galleries include Museum Africa, Johannesburg Art Gallery, Roodepoort Museum, Workers Museum; James Hall Museum of Transport; Credo Mutwa Cultural Village and Hall; Hector Pieterse Memorial and Museum; Kliptown Open Air Museum; June 16, 1976, Interpretation Centre and the Alexandra Heritage Centre.

Arts and Culture

The arts and culture facilities include the Mofolo Cultural Bowl; Mofolo Art Centre; Oppenheimer Tower; and Uncle Tom's Community Centre.

7.1 Charges in General

A review of the tariffs was undertaken in the 2025/26 financial year taking into consideration several factors such as the locality of a facility, socio-economic conditions as well as the prevailing condition of the facilities. In several cases, the tariffs may have been kept unchanged or lowered depending on the above factors.

The tariffs for 2026/27 are based on the above considerations as well as the budget parameters which have been set at 3.60%, 3.70% and 3.50% for 2026/27, 2027/28 and 2028/29 financial years respectively. The tariff review process required the following amendments to be made to the arts, culture and heritage tariffs apart from the budget parameters:

COMMUNITY DEVELOPMENT

It is proposed that the Arts, Culture and Heritage tariff as reflected in “**Annexure D**” be implemented as of 01 July 2026.

8. POLICY IMPLICATIONS

The proposed increase is in line with the City of Johannesburg’s guiding principles on the determination of tariffs in that tariffs should be equitable and affordable.

9. CONSTITUTIONAL AND LEGAL IMPLICATIONS

Section 74(3) of the Municipal System Act allows for the differentiation between different categories of users, debtors, service providers, services, service standards, geographical areas and other matters for tariff purposes as long as the differentiation does not amount to unfair discrimination.

The City of Johannesburg is authorised in terms of Section 11(3) (i) and 75A (1) and (2) of the Local Government: Municipal Systems Act, 2000 read with Section 24 (2) (C) (ii) of the Local Government: Municipal Finance Management Act, 2003, to levy and amend tariffs of charges in respect of any function or service of the municipality. It should though be kept in mind that by virtue of Section 28 (6) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003) once the new tariffs have been determined in respect of the 2026/27 Financial year, it may not be further increased during that financial year, except when required in terms of a financial recovery plan as contemplated in the Act. For that reason, it is essential to ensure that the proposed increases comply with the budgeted needs of the Council in respect of the 2026/27 Financial Year.

COMMUNITY DEVELOPMENT

10. FINANCIAL IMPLICATIONS

The tariffs for the Library and Information Services, Sport and Recreation as well as Arts, Culture and Heritage for the 2026/27 financial year must be increased by 3.60% VAT inclusive, with a few motivated exceptions. Community Development Finance supports the amendments.

11. ECONOMIC IMPLICATIONS

Improving the socio-economic conditions of the communities within the City through sport, recreation, arts, culture, heritage and learning while increasing the income of the City through revenue collection by providing these services.

12. COMMUNICATIONS IMPLICATIONS

The relevant information regarding the amended tariffs will be communicated to all stakeholders in the manner prescribed by law.

13. OTHER DEPARTMENTS/BODIES CONSULTED

- Budget Office.
- Group Legal and Compliance Contracts
- Financial Compliance
- Users of the facilities

IT IS RECOMMENDED

1. That, in terms of Sections 11(3)(i) and 75A(1) and (2) of the Local Government: Municipal Systems Act 2000, (Act 32 of 2000) as amended, read with Section 16(2) (c)(ii) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003), the City of Johannesburg declares its intention to amend with effect from 01 July 2026 its Tariff of Charges (Vat Inclusive) for;
 - Library and Information Services as set out in Annexures A and B;
 - Sports Facilities, Recreation Centres and Swimming Pools as set out in Annexure C1-C16.
 - Arts, Culture and Heritage Services as set out in Annexure D.
2. That in terms of Section 22(b) (i) and (ii) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003), a copy of the notice and documents be sent forthwith to the National and Provincial Treasury; MEC for local government; as well as any other organ of state or municipality affected by the budget to solicit their views;

That the Executive Director: Finance in conjunction with the Director: of Legal and Compliance Group Legal and Contracts, in consultation with the Council's relevant Departments and all interested parties, report on the comments received in terms of paragraph 2 above with recommendations on the final draft of the Tariffs of Charges for approval.

COMMUNITY DEVELOPMENT

4. That the Executive Director: Community Development be given authority to waive tariffs for specially designated groups for the 2026/27 financial year and be allowed to sub-delegate this authority to the Director of Library and Information Services; Director of Sport and Recreation and Director of Arts, Culture and Heritage should the need arise;
5. That the report is submitted to a relevant Section 79 Committee for noting.

Subject to a minimum charge of R59.75/kl;

and:

2,5

$$B: \quad (i) \quad T \cdot (A_s - 2,5) \quad \text{cent/kilolitre, where } A_s \text{ is greater than } 2,5 \text{ mg/l:}$$

and (ii) $T \cdot (C_d - 2,5)$ cent/kilolitre, where C_d is greater than 2,5 mg/l; 2,5

and (iii) $T \cdot (C_o - 20)$ cent/kilolitre, where C_o is greater than 20 mg/l; 20

and (iv) T.(Cr-20) cent/kilolitre, where Cr is greater than 20 mg/l; 20

and (v) T.(Cu-20) cent/kilolitre, where Cu is greater than 20 mg/l; 20

and (vi) T.(Hg-1) cent/kilolitre, where Hg is greater than 1 mg/l; 1

and (xiii) (C+T).(FOG-200)cent/kilolitre, where FOG is greater than 200mg/l; 200 [vegetable origin]

and (xiv) $(C+T) \cdot (FOG-50) \text{ cent/kilolitre}$, where FOG is greater than 50mg/l; 50 [mineral origin]

Where C = R1 659.65 and T = R1 809.92

Where the COD is Chemical Oxygen Demand:

and As =Total Arsenic;
 Cd =Total Cadmium;
 Co =Total Cobalt;
 Cr =Total Chromium;
 Cu =Total Copper;
 Hg =Total Mercury
 Mo =Total Molybdenum
 Ni =Total Nickel;
 Pb =Total Lead;
 Se =Total Selenium;
 Zn =Total Zinc.
 pH = - log [H³⁰⁺]
 FOG =Total fat, oil and grease

As determined by the analytical methods used by the CYDNA Scientific Services Laboratory of Johannesburg Water (SOC) Ltd.

It is important that the sewer system is protected against acidic effluents and the charge for pH is therefore punitive. Similarly, metals are detrimental to the environment and the metal charge

is also punitive. In addition, the discharge of excessive quantities of fat, oil and grease (FOG) into the sewer system causes blockages which is a public nuisance, a health risk and impedes the proper operation of the City's Waste Water Treatment Works. Hence the FOG charge is also punitive. Therefore, in cases where the Water Services By-laws are violated, pH will be assessed on the lowest and metals and FOG on peak values recorded during a six monthly period, irrespective of whether the industrial effluent volume discharged during that period is less than the value stipulated in clause 4.2 below.

- 6.2. In the case of any trade or industry in respect of which the average monthly volume of trade or industrial effluent generated during the previous half-year period was less than 100 kilolitres, the charge shall be R58.66 per kilolitre except where punitive charges are applied.
- 6.3. In respect of domestic effluent discharged from the premises of any trade or industry for which a charge was levied in terms of clause C (1) above, the charge shall be R58.66 per kilolitre.

In the absence of direct measurement, the domestic effluent will be estimated as follows:

- (a) 1,0 kilolitre per full-time staff member per month.
 - (b) 4,0 kilolitre per resident per month {not included in (i) above}.
 - (c) For staff canteens: 0,15 kl per meal served per month.
 - (d) The working month will be based on a 5-day working week. In cases where the working week deviates from 5 days, a pro rata adjustment will be made).
- 6.4. Where the average monthly volume of trade or industrial effluent generated during the previous half-year period was more than 50 kilolitres, rebates under A above to be granted under conditions specified by the Council as follows–

- (a) 10% if discharge occurs at specified times only;

- (b) 15% if flow is balanced and discharged evenly over seven days at specified times only;
- (c) 20% if effluent contains BOD/COD ratio between 0.92 and 1, which is deemed beneficial to the Council's treatment processes; and
- (d) 50% maximum if (c) occurs with (a) and (b).

6.5. For the disposal of organic industrial wastes delivered by tanker to the wastewater treatment works: R34.47 per kilogram of COD.

6.6. The sample must be analysed six - monthly by an independent accredited laboratory for the customer to secure a non- effluent rebate under 6.4(c) above to be granted under conditions specified by the Council

6.7. Discharge of yeast effluent or part thereof: per kilolitre R838.14/kl

EMBEDDED GENERATION TARIFF

Residential Embedded Generator Energy Charge (c/kWh)	124,60
Business and Large Power User Embedded Generator Energy Charge (c/kWh)	103,26

EMBEDDED GENERATOR MINIMUM CONDITIONS

- 1.1 In terms of the provision of the Electricity Regulation Act, (Act 4 of 2006) (ERA) generation of electricity is a licensed activity, unless exempted by the Minister of Energy.
- 1.2 This tariff will only apply to customers that are net consumers at City Power and who have invested in embedded generation capacity, are grid-tied (and comply with all the regulations regarding grid connection).
- 1.3 That the embedded generator is required to register with City Power and the equipment used must comply with the technical standards required by City Power.
- 1.4 All Large Power Users and Business Customers who would be willing to invest in embedded generation with the purpose of supplementing their electricity supply from City Power will have to be on a conventional tariff structure. If they are currently on a prepaid structure, they will be required to migrate to a conventional tariff structure.
- 1.5 All residential customers who would be willing to invest in embedded generation with the purpose of supplementing their electricity supply from City Power, will have to be on a time-of-use conventional tariff structure. If they are currently on a prepaid structure, they will be required to migrate to the time-of-use conventional tariff structure.
- 1.6 Embedded generators that are at any time capable of feeding energy back into the grid will require meters with bidirectional metering capability.
- 1.7 All parties that would invest in generating electricity capacity and who would elect to only feed into the grid (and never draw from the grid)

will be treated as an additional supplier under a negotiated power purchase agreement.

1.8 The tariff is only applicable to maximum generation capacity of 1MW.

Three Part TOU Tariff- low voltage							
Residential Embedded Generator							124,60
Business and LPU Embeded Generator (<=1MW)							103,26

EMBEDDED GENERATOR MINIMUM CONDITIONS

- In terms of the provision of the Electricity Regulation Act, (Act 4 of 2006) (ERA) generation of electricity is a licensed activity, unless exempted by the Minister of Energy. The approved tariffs are therefore subjected to the provisions of the ERA and are otherwise interim/pilot.
- This tariff will only apply to customers that are net consumers at City Power and who have invested in embedded generation capacity, are grid-tied (and comply with all the regulations regarding grid connection).
- That the embedded generator is required to register with City Power and the equipment used must comply with the technical standards required by City Power.
- All Large Power Users and Business customers who would be willing to invest in embedded generation with the purpose of supplementing their electricity supply from City Power will have to be on a conventional tariff structure. If they are currently on a prepaid structure, they will be required to migrate to a conventional tariff structure.
- All residential customers who would be willing to invest in embedded generation with the purpose of supplementing their electricity supply from City Power, will have to be on a time-of-use conventional tariff structure. If they are currently on a prepaid structure, they will be required to migrate to the time-of-use conventional tariff structure.
- Embedded generators that are at any time capable of feeding energy back into the grid will require meters with bidirectional metering capability.
- All parties that would invest in generating electricity capacity and who would elect to only feed into the grid (and never draw from the grid) will be treated as an additional supplier under a negotiated power purchase agreement.
- Embedded generation tariff is only applicable to maximum generation capacity of 1MW

RESOLVED

That based on the body of the report, and the applicable legislative provisions, it is recommended:

4. That the approved rates and tariffs, and the property rates bylaw be implemented with effect from 1 July 2026
5. That, in terms of Sections 17(3)(a)(ii) and 22(a)(i) and (ii) of the Local Government Municipal Finance Management Act, 56 of 2003 and Sections 21, 21A(1) and 75A(3) of the Local Government Municipal Systems Act, 32 of 2000, as amended and also Section 14(3) of the Municipal Property Rates Act, 6 of 2004, the following legislative compliance processes were undertaken as reflected in the body of the report:
 - (i) A display a copy of the resolution in the manner prescribed Section 75A (3)(a) of the Local Government: Municipal Systems Act, 32 of 2000, as amended.
 - (ii) A publication in newspapers of general circulation of a notice in the manner prescribed in section 75A (3)(b) of the Local Government: Municipal Systems Act, 32 of 2000, as amended.
 - (iii) Through the above platforms as contained in the body of the report, the substance of public consultation was shared with the ratepayers.

6. That a copy of the notice referred to in Paragraph 5(ii) above be sent forthwith to the MEC for Local Government and the National and Provincial Treasury in terms of Section 75A (4) of the Local Government Municipal Systems Act, 32 of 2000 as amended.

That specific for property rating as required through sections 5, 6 and 14 of the Local Government: Municipal Property Rate Act, 6 of 2004 read with its amendments, the revised Property Rates Policy and its By-law be approved, noting that a resolution on levying of rates should be placed in the Provincial Gazette, and the notice be made by the City Manager within 60 days.
