1 STRATEGIC THRUST

The City identified Seven (11) Priority Areas that the SDBIP, IDP and budget aim to achieve. The applicable priorities for this Report are:

Priority 1- Good Governance

Priority 2- Financial Sustainability

Priority 4- Sustainable Service Delivery

2 OBJECTIVE

The purpose of this report is to present to Council 's approval for public comment for the draft tariff charges for Dishonored Payments in respect of the 2023/ 2024 financial year

3 BACKGROUND

When an account holder's banker dishonors a payment by an account holder, the bank charges the party presenting payment (the Council) a levy. This levy is then passed to the account holder to create a deterrent to account holders not to make a payment when funds are not available to honor that payment. The amount levied by Council is not only the amount charged by the banker to the Council, but also incorporates the costs incurred by the Council in reversing the payment received from the account holder.

The Council is presently charging R379.54 (Excl Vat) for each dishonored transaction. This amount is proposed to be increased by projected inflation. The projected CPI is 5.3%. Consequently, this tariff is proposed to be increased to R399.65 (Excl Vat) for the financial year 2023 / 2024.

3.1 Legislative Requirements

The Municipal Finance Management Act (MFMA) provides a framework for the preparation of municipality's budgets, section 21 of the MFMA is the primary provision relating to the municipal budget process. It requires the mayor to coordinate the processes for preparing the annual budget and for reviewing the Integrated Development Plan (IDP) and budget related policies to ensure that the tabled budget and any revisions of the IDP and budget-related policies are mutually consistent and credible.

3.2 Underlying budget principles

- Departments and MEs are required to justify their 2023/24 medium term budget requests by providing detailed information of the cost.
- Ongoing costs be funded with ongoing revenues. Align continuing expenditures with continuing revenues, on a level that can be reasonably sustained and reduce reliance on one-time funding should
- Revenue forecasts should be neither overly optimistic nor overly conservative. Should economic downturns develop which could result in revenue shortfalls; the city will adjust in the anticipated expenditures to compensate for the shortfall in revenue to protect the net operating margin.

3.3 Assumptions and Key Parameters:

CPI is estimated at:

- 5.3%- 2023/24
- 4.9%- 2024/25
- 4.7% - 2025/26

4 POLICY IMPLICATIONS

The proposal is in line with the City of Johannesburg's guiding principles on the determination of Tariffs in that tariffs should be equitable and affordable.

5 FINANCIAL IMPLICATIONS

The tariff is increasing and the recovery of costs from consumers will be R399.65 (Excl. Vat) per dishonoured payment.

6 ECONOMIC IMPLICATIONS

The content of this report has no economic implications.

7 COMMUNICATION IMPLICATIONS

The relevant information regarding the amended tariffs will be communicated to all the role players in the manner as prescribed by law.

8 CONSTITUTIONAL AND LEGAL IMPLICATIONS

This report has been finalized in conjunction with Legal and Compliance to ensure compliance with all relevant Legislation. It should though be kept in mind that by virtue of Section 28 (6) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003), once the new tariffs have been determined in respect of the 2023/2024 financial year, it may not be further increased during that financial year, except when required in terms of a financial recovery plan as contemplated in the Act.

For that reason, it is essential to ensure that the proposed increases comply with the budgeted needs of the Council in respect of the 2023/ 2024 financial year.

9 OTHER BODIES/DEPARTMENTS CONSULTED

Cash Management, Rates and Taxes, Billing and Revenue Management were consulted in the development of this document. MOEs are being contacted with a view to aligning the Council's various entities. Legal and Compliance were consulted in finalizing the report.

10. IT IS RECOMMENDED

That the Tariff Charges for Dishonoured Payments (Debit Orders) for the 2023 / 2024 financial year be increased to R399.65 (Excl. Vat) per transaction for public comment.
