AMENDMENT OF TARIFF CHARGES FOR THE DELIVERY OF THE "PRE" TERMINATION NOTICES 2023 / 2024

1 STRATEGIC THRUST

The City identified Eleven (11) Priority Areas that the SDBIP, IDP and Budget aim to achieve. The applicable priorities for this Report are:

Priority 1- Good Governance

Priority 2- Financial Sustainability

Priority 4- Sustainable Service Delivery

2 OBJECTIVES

The purpose of this report is to present to council for approval the increased tariff for the cost of delivery of the "pre" termination notice in respect of the 2023/2024 financial year for public comment.

3 BACKGROUND

The city currently levies a fee of R276.20 (Excl Vat) for the delivery of a "Pre" termination notice to the consumer, which is billed directly to the consumer's account.

This also has been emphasised in this case, "JOSEPH & OTHERS vs CITY OF JOHANNESBURG & OTHERS (REFERRED HERETO AS THE ENNERDALE MANSIONS (PTY) LTD MATTER)" procedural fairness required that applicants be entitled to 14 days pre-termination notice. The Court further held that the City's Credit Control and Debt Collection By Laws (2005) can be read consistently with the Promotion of administrative Justice Act so that procedural fairness is afforded not only to customers of City Power but to any person whose rights would be materially and adversely affected by the termination of electricity supply.

Arising out of this judgment the Constitutional Court has declared that the City's failure to issue pre termination notices to any occupier of property including owners and tenants alike is deemed to be unconstitutional, hence this tariff is now implemented. Therefore, this tariff should be increased to R290.84 (Excl. Vat) for the financial year 2023 / 2024

AMENDMENT OF TARIFF CHARGES FOR THE DELIVERY OF THE "PRE" TERMINATION NOTICES 2023 / 2024

3.1 Legislative Requirements

The Municipal Finance Management Act (MFMA) provides a framework for the preparation of municipality's budgets, section 21 of the MFMA is the primary provision relating to the municipal budget process. It requires the mayor to coordinate the processes for preparing the annual budget and for reviewing the Integrated Development Plan (IDP) and budget related policies to ensure that the tabled budget and any revisions of the IDP and budget-related policies are mutually consistent and credible.

3.2 Underlying budget principles

- Departments and MEs are required to justify their 2023/2024 medium term budget requests by providing detailed information of the cost.
- Ongoing costs should be funded with ongoing revenues. Align continuing expenditures with continuing revenues, on a level that can be reasonably sustained and reduce reliance on one-time funding
- Revenue forecasts should be neither overly optimistic nor overly conservative. Should economic downturns develop which could result in revenue shortfalls; the city will adjust in the anticipated expenditures to compensate for the shortfall in revenue to protect the net operating margin.

3.3 Assumptions and Key Parameters:

CPI is estimated at:

- 5.3% - 2023/24
- 4.9% - 2024/25
- 4.7% - 2025/26

4 POLICY IMPLICATIONS

The proposal is in line with the City of Johannesburg's guiding principles on the determination of tariffs in that tariffs should be equitable and affordable.

5 FINANCIAL IMPLICATIONS

The delivery fee of R290.84 (Excl Vat) per delivery would be levied on the consumer account. This tariff is in line with the Termination Notices charged by the Sheriff of the Magistrates Court.

6 ECONOMIC IMPLICATIONS

The issuing of a pre-termination notice prompts consumers to pay their outstanding Municipal account with the city, which enables Revenue Collection. The collection of revenue allows the city to implement various Economic development Initiatives, develop skills and create jobs within the city.

7 COMMUNICATION IMPLICATIONS

The relevant information regarding the amended tariffs will be communicated to all the role players in the manner as prescribed by law. Further the change will be communicated to the panelists who deliver the pre termination notices.

8 LEGAL AND CONSTITUTIONAL IMPLICATIONS

- (a) The report is in line with sections 11(3) (i) 21 21 and 75A of the Municipal Systems Act 32 of 2000.
- (b) The report is also in line with sections 17(3)(a)(ii) and 22(a) 24(2)(c)(ii) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003)
- (c) It should though be kept in mind that by virtue of Section 28 (6) of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003), once the new tariffs have been determined in respect of the 2021 / 2022 Financial Year, it may not be further increased during that financial year, except when required in terms of a financial recovery plan as contemplated in the Act.
- (d) For that reason, it is essential to ensure that the proposed increases comply with the budgeted needs of the Council in respect of 2023 / 2024 Financial Year.
