**REPORT OF THE AUDITOR-GENERAL TO THE GAUTENG PROVINCIAL LEGISLATURE
AND THE COUNCIL OF THE CITY OF JOHANNESBURG METROPOLITAN MUNICIPALITY
ON THE JOHANNESBURG ZOO NON PROFIT COMPANY**

Introduction

1. I have audited the financial statements of the Johannesburg Zoo NPC set out on pages xx to xx, which comprise, the statement of financial position as at 30 June 2013, the statement of financial performance, statement of changes in net assets, the cash flow statement, the statement of comparison of budget and actual amounts for the year then ended, and the notes, comprising a summary of significant accounting policies and other explanatory information.

Accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA), and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor-general's responsibility

3. My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA), the general notice issued in terms thereof and International Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

6. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Johannesburg Zoo NPC as at 30 June 2013, its financial performance, the appropriation statement, statement of changes in net assets and cash flows for the year then ended in accordance with SA Standards of GRAP and the requirements of the MFMA.

Emphasis of matters

7. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Going concern

8. As disclosed in note 19 to the financial statements, the City of Johannesburg undertook an institutional review and a decision was taken to transfer the functions of Johannesburg Zoo NPC to Johannesburg City Parks NPC. The assets and liabilities of Johannesburg Zoo NPC as at 1 January 2013 have been transferred to Johannesburg City Parks NPC. The company (Johannesburg Zoo NPC) will be deregistered.

Additional matter

9. I draw attention to the matter below. My opinion is not modified in respect of this matter.

Other reports required by the Companies Act

10. As part of my audit of the financial statements for the year ended 30 June 2013, I have read the Director's Report, the Audit Committee's Report and the Company Secretary's Certificate for the purpose of identifying whether there are material inconsistencies between these reports and the audited financial statements. These reports are the responsibility of the respective preparers. Based on these reports I have not identified material inconsistencies between the reports and the audited financial statements in respect of which I have expressed an unqualified opinion. I have not audited the reports and accordingly do not express an opinion on them.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

PAA REQUIREMENTS

11. In accordance with the PAA and the general notice issued in terms thereof, I report the following findings relevant to performance against predetermined objectives, compliance with laws and regulations and internal control, but not for the purpose of expressing an opinion.

Predetermined objectives

12. I performed procedures to obtain evidence about the usefulness and reliability of the information in the annual performance report as set out on pages xx to xx of the annual report.
13. The reported performance against predetermined objectives was evaluated against the overall criteria of usefulness and reliability. The usefulness of information in the annual performance report relates to whether it is presented in accordance with the National Treasury's annual reporting principles and whether the reported performance is consistent with the planned objectives. The usefulness of information further relates to whether

indicators and targets are measurable (i.e. well defined, verifiable, specific, measurable and time bound) and relevant as required by the National Treasury *Framework for managing programme performance information* (FMPPI).

The reliability of the information in respect of the selected development priorities/ objectives is assessed to determine whether it adequately reflects the facts (i.e. whether it is valid, accurate and complete).

There were no material findings on the annual performance report concerning the usefulness and reliability of the information.

Compliance with laws and regulations

14. I performed procedures to obtain evidence that the entity has complied with applicable laws and regulations regarding financial matters, financial management and other related matters. My findings on material non-compliance with specific matters in key applicable laws and regulations as set out in the general notice issued in terms of the PAA are as follows:

Expenditure management

15. Money owing by the municipality was not always paid within 30 days or an agreed period, as required by section 99(2) (b) of the MFMA.

Internal control

16. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with laws and regulations. The matters reported below under the fundamentals of internal control are limited to the significant deficiencies that resulted in the basis for unqualified opinion, the findings on the annual performance report and the findings on compliance with laws and regulations included in this report.

Financial and performance management

17. Compliance with applicable laws and regulations were not monitored and reviewed, as results suppliers were not paid on time. Proper record keeping was not implemented in a timely manner to ensure that complete, relevant and accurate information is accessible and available to support financial information.
