CITY OF JOHANNESBURG LAND USE SCHEME, 2018, (as amended, 2024)

PART 1: PREAMBLEPART I: PREAMBLE

1. AREA OF THE LAND USE SCHEME

The Land Use Scheme applies to all properties within the municipal boundaries of the City of Johannesburg, as determined by the Municipal Demarcation Board.

2. LAND USE SCHEME STATUS

This Land Use Scheme is prepared in terms of Section 24(1) of the Spatial Planning and Land Use Management Act, 2013 (Act 16 of 2013), and is subject to the provisions of Clause 3.(3.) of this Scheme, in substitution of the following Town Planning Schemes previously in operation in the above-mentioned area in so far as it relates to the area of jurisdiction of the City of Johannesburg Metropolitan Municipality:

- Johannesburg Town Planning Scheme, 1979 *(The clauses only)*
- Halfway House and Clayville Town Planning Scheme, 1976 (The clauses only)
- Sandton Town Planning Scheme, 1980 *(The clauses only)*
- Roodepoort Town Planning Scheme, 1987 *(The clauses only)*
- Randburg Town Planning Scheme, 1976 *(The clauses only)*
- Lenasia South East Town Planning Scheme, 1998 *(The clauses only)*
- Modderfontein Town Planning Scheme, 1994 *(The clauses only)*
- Peri-urban Areas Town Planning Scheme, 1975 *(The clauses only)*
- Southern Johannesburg Region Town Planning Scheme, 1979 *(The clauses only)*
- Walkerville Town Planning Scheme, 1994 *(The clauses only)*
- Annexure F as per the Black Communities Development Act, Act 4 of 1984
- Lethabong Town Planning Scheme, 1998 *(The clauses only)*
- Westonaria Town Planning Scheme, 1981 *(The clauses only)*

- Alberton Town Planning Scheme, 1979 *(The clauses only)*
- Edenvale Town Planning Scheme, 1980 *(The clauses only)*
- Krugersdorp Town Planning Scheme, 1980 *(The clauses only)*
- And any other parts of Town Planning Schemes of neighbouring municipalities that may have been included as a result of demarcation changes.

3. COMMENCEMENT AND VALIDITY

The Land Use Scheme shall come into effect from the date that notice of adoption is published in the Provincial Gazette.

(1.) The City of Johannesburg Metropolitan Municipality shall be the authority responsible for enforcing and carrying into effect the provisions of this Land Use Scheme.

(2.) Any consent granted, approved or any land use right permitted in terms of a Town Planning Scheme in force or other applicable land use legislation for the erection/use of buildings or for the use of land or any rights legally exercised in terms of such scheme or legislation prior to the commencement of this Land Use Scheme, shall be deemed to be a consent, approval or land use right of this Land Use Scheme: provided that any such consent, approval or land use right shall lapse unless exercised within twenty four (24) months from the date of coming into operation of this land use scheme, as envisaged in Sub-clause (1) above.

(3.) Any Annexure or Schedule promulgated in terms of any of the former Town Planning Schemes mentioned in Clause 2. or other Land Use Legislation shall remain in force and the provisions of that Annexure or Schedule shall remain in force for the lifetime of that Annexure or Schedule. The Scheme Maps A and B series or any other cadastral map indicating land use of all listed schemes and legislation under Part 1, Clause 2. remain in force.

(4.) Any land use application submitted to and pending before Council immediately prior to the commencement of this Land Use Scheme, shall be dealt with in terms of the relevant Scheme that governs such application at the time of submission, as far as it is not in conflict with this Land Use Scheme.

(5.) Where the provisions of this Land Use Scheme are in conflict with any municipal By-law in operation in the City of Johannesburg, the provisions of the Land Use Scheme shall prevail. In respect of outdoor advertising signs, the prevailing outdoor advertising By-laws shall apply and such advertising signs, cellular masts and telecommunication masts will not be regarded as a land use matter.

4. POWERS OF THE COUNCIL

Nothing in this Land Use Scheme shall prevent the Council from maintaining or using any building, or doing construction work or using any land in its area of jurisdiction for any other purpose permitted under any other law, unless the consent procedure as outlined in the City of Johannesburg Municipal Planning By-law, 2016, (as amended, 2023), is followed and such uses are of a temporary nature not exceeding thirty-six (36) months.

5. GENERAL PURPOSE OF THE LAND USE SCHEME

The Land Use Scheme adopted and approved in terms of the City of Johannesburg Municipal Planning By-law, 2016, (as amended, 2023), shall give effect to the City's municipal spatial development framework and determine the use and development of land within the City's area of jurisdiction in order to promote:

a. Economic growth;

b. Social inclusion;

c. Efficient land development;

d. Minimal impact on public health, the environment and natural resources;

e. Guarantee the right to sustainable cities, understood as the right to urban land, housing, environmental management, urban infrastructure and service delivery, transportation and public services, to work and leisure for current and future generations;

f. Democratic administration by means of participation of both the individual property owner and representative associations of the various segments of the community in the formulation, execution and monitoring of urban development projects, plans and programmers;

g. Cooperation between governments, private initiative and other sectors of society in the urbanization process, in service of the social and economic interest;

h. Planning and sustainable development of the Municipality, through the management and coordinated promotion of growth across the City along with desirable development, in order to correct the distortions of historical planning systems and their negative effects on the environment, without negating the complexities of the City;

i. Supply of urban and community equipment, transportation and public services adequate for the interests and needs of the population and the local characteristics;

j. Management of land use, in order to enable and facilitate:

(i) Efficient, effective and compatible urban development that is desirable and also accommodates the identified socio-economic needs of the City;

(ii) The coordination of urban growth, which includes land use change, new development and subdivisions, with the availability of infrastructure and social amenities;

(iii) An accessible, responsive environment that is integrated with the transportation network and promotes public transportation;

(iv) The upgrading and rejuvenation of certain areas in the City through innovative developmental scenarios;

(v) Effective environmental management in support of the strategic direction of the City.

~~(v)~~(vi) Provisions for a resilient, liveable, sustainable urban environment, compatible with a healthy natural environment and underpinned by infrastructure supportive of a low-carbon economy.

k. Fair distribution of the benefits and burdens resulting from the urbanization process;

l. Adaptation of tools of economic, tax and financial policy and of public spending to the objectives of urban development, in order to give priority to investments that generate well-being and the fruition of the goods by different social segments;

m. Simplification of the legislation concerning subdivisions, land use, occupation and building regulations, in order to permit a reduction in costs and increase in the supply of erven and housing units;

n. Equality of conditions for public and private agents in the promotion of developments and activities related to the urbanization process, serving the social and economic interest.

6. ARRANGEMENTS AND LEGALITY OF LAND USE SCHEME COMPONENTS

(1.) The City of Johannesburg Land Use Scheme has been arranged into three main sections, in order to ensure ease of reference and to incorporate the promotion philosophy of this Scheme, namely:

SECTION 1:

LAND ~~DEVELOPMETN~~ DEVELOPMENT RIGHTS

SECTION 2:

MANAGEMENT OF LAND ~~DEVELOPMETN~~ DEVELOPMENT RIGHTS

SECTION 3:

PROMOTION OF LAND DEVELOPMENT

(2.) Arrangements and legality of the Maps, Clauses, Tables, Schedules and Annexures of the Land Use Scheme

(a.) The maps, clauses and tables of the Land Use Scheme have been arranged so that those maps, clauses and tables of general applicability are contained in Parts I – VIII and those which are applicable solely to a specific erf or site are contained in the Schedule or Annexure.

(b.) The Schedule and Annexure ~~in~~ form an integral part of the Land Use Scheme and have the same legality as the rest of the Land Use Scheme: Provided that in the event of there being a conflict between the provisions of a clause contained in Parts I to VIII and any provision contained in an Annexure or Schedule in the Annexure or Schedule shall prevail: Provided further that the requirements contained in Parts I to VI relating to the possible relaxation of requirements in respect of building lines, building restriction areas, height, coverage, floor area, parking and loading are applicable to those erven or sites referred to in a Schedule or Annexure unless they are expressly excluded in such Schedule or Annexure.

7. BUILDING PLANS AND OTHER PARTICULARS

The erection, structural changes, alterations or conversion of a building to an alternative use shall not commence until the Council has approved of the building plans as required in terms of the National Building Regulations and Building Standards Act, Act 103 of 1977, or any amendment or review thereof, in respect of the erection, structural changes, alterations or conversion of such building: Provided that floor area and coverage calculations, parking requirements and a parking layout, where applicable, shall be indicated on such building plans.

PART III: USE OF LAND AND BUILDINGS

10. ERECTION AND USE OF LAND AND BUILDINGS

The purpose –

(1.) for which buildings may be erected and used and for which land may be used;

(2.) for which buildings may be erected and used, and for which land may be used, only with the consent of the Council; and

(3.) or which buildings may not be erected and used and for which land may not be used.

In each of the Use Zones specified in Table 2 the above-mentioned categories are shown in the third, fourth and fifth columns of Table 2 and in the Schedules.

11. PROTECTION OF EXISTING BUILDINGS

Save that alterations or additions to existing buildings shall be carried out in compliance with the provisions of this Land Use Scheme; legally existing buildings shall not be affected by the provisions of this Land Use Scheme which would otherwise have rendered such buildings illegal.

12. COUNCIL'S CONSENT DEEMED TO HAVE BEEN GRANTED

(1.) If, in terms of any town planning scheme or other planning legislation substituted by this Land Use Scheme, the purpose for which a building has been lawfully erected and used without the consent of the Council is a purpose which, in terms of this Land Use Scheme, requires the consent of the Council, the Council's consent to the erection and use of such building for such purpose shall be deemed to have been granted on the fixed date.

(2.) The provisions of this Land Use Scheme are applicable to any consent contemplated in Sub-clause (1.).

(3.) With regard to areas previously covered by ANNEXURE F, with regard to spaza / house shops, this use may be exercised within twenty-four (24) months of the fixed date of 1 February 2019, by the submission and approval of a building plan. Thereafter the provisions for spaza / house shops as contained in this Land Use Scheme shall prevail. (See Clause 19.)

13. USE OF BUILDINGS OR LAND FOR DIFFERENT PURPOSES

Where a building, erf or site is used for different purposes the provisions of this Land Use Scheme relating to parking requirements, loading and off-loading, height, floor area and coverage, are applicable separately to the respective areas used for such purposes.

14. GENERAL CONDITIONS APPLICABLE TO ALL ERVEN

(1.) Save with the written consent of the Council and subject to such conditions it may impose:

(a.) neither the owner nor any other person shall have the right, save and except to prepare the erf for building purposes, to excavate therefrom any materials;

(b.) neither the owner nor any other person shall sink any wells or boreholes thereon or abstract any subterranean water therefrom: Provided that this condition is not applicable to dolomitic areas as detailed in Sub-clause (14.)0 below.

(c.) neither the owner nor any other person shall have the right to make or permit to be made upon the erf for any purposes whatsoever any tiles or earthenware pipes or other articles of a like nature: Provided that this condition is not applicable to erven zoned "Industrial 1 or 2".

(d.) No land shall be used for the purpose of refuse tipping, sewerage disposal or the removal of soil, sand or gravel for the purposes of sale.

(2.) Where, in the opinion of the Council, it is impracticable for storm water to be drained from higher lying erven direct to a road, the owner of the lower lying erf shall be obliged to accept and/or permit the passage over the erf of such storm water: Provided that the owners of any higher lying erven, the storm water from which is discharged over any lower lying erf, shall be liable to pay a proportionate share of the cost of any pipe line or drain which the owner of such lower lying erf may find necessary to lay or construct for the purpose of conducting the water so discharged over the erf.

(3.) The positioning of all buildings, including outbuildings erected on the erf, and ingress to and egress from the erf shall be to the satisfaction of the Council.

(4.) The following land uses shall be regarded ancillary uses:

(a.) Guardhouse:
All Use Zones.

(b.) Caretakers unit:
All Use Zones except "Residential 1~~, 2, 3, 4 & 5~~".

(c.) Canteen and Auto Teller Machines:
All Use Zones except "Residential 1 and 2".

(d.) Staff quarters may be included as a primary right on Residential 2, 3 and 4 zoned erven subject to it being a cluster/freehold development and shall not exceed 30m² in size. The staff quarter/s can be self-contained or share facilities with the main dwelling unit.

(e.) Urban agriculture may be included in all use zones as an ancillary use.

(5.) If an erf or site abuts a provincial road or a national road, a fence shall be erected along the boundary between the erf or site and such road in accordance with the standards laid down by the relevant Provincial / National Department.

(6.) All erven shall be fenced and maintained if and when required, to the satisfaction of the Council. Boundary walls in excess of 1,8 metres in height require the ~~written consent~~ approval of building plans of the Council. All fencing and/or walling shall be completed and finished off on both sides to the satisfaction of the Council.

(7.) The owner is responsible for the maintenance of the entire property in compliance with all relevant Council By-laws.

(8.) The extraction of minerals by underground working or by surface working, or the erection of any buildings or the carrying out of any work which is incidental thereto on land which is not included in a proclaimed township or an agricultural holding shall be prohibited.

(9.) The use of land, or buildings on land, 9ha or more in extent and which is in one ownership or in joint ownership, for agricultural purposes or in connection with a plant nursery shall be permitted: provided that where land is less than 9ha in extent, such buildings may only be erected and such land used with the consent of the Council, provided further that in the case of agricultural holdings laid out under the Agricultural Holdings (Transvaal) Registration Act, 1919, zoned "Agricultural" or "Undetermined" such consent need not be obtained.

(10.) The main building which shall be a completed building and not one partly erected and to be completed at a later date, shall be erected simultaneously with or before the outbuildings.

(11.) Where buildings are to be erected within two (2) meters from any boundary of an erf or site in any Use Zone, the clearance from the relevant service departments of the Council shall be obtained.

(12.) Where buildings are to be erected on a "Residential 1, 2, 3, 4 or 5" zoned erf, and any other use zone contiguous to a residential property, or site at a height of more than one (1) storey, a distance of two (2) meters from any boundary other than a street boundary shall be maintained unless the consent for a relaxation of building line is obtained as per provisions of the City of Johannesburg Municipal Planning By-law, 2016, (as amended, 2023).

(13.) The following guidelines shall apply for consent of Taverns / Shebeen / Small Liquor Outlet for off-site consumption by the occupant of a dwelling house / unit:

(a.) The residential character of the site shall be maintained to the satisfaction of the Council and the predominant land use shall remain residential.

(b.) The Tavern / Shebeen / Small Liquor Outlet for off-site consumption shall not cause an interference with the amenities of the neighborhood.

(c.) The display of a non-luminous notice or sign on the boundary fence or building, to indicate only the name, business logo and telephone number/s of such a permanent resident, shall be permitted in compliance with the prevailing outdoor advertising By-laws.

(d.) The storing or keeping on the site of such dwelling unit of anything whatsoever which, in the opinion of the Council, is unsightly or undesirable shall be prohibited. ~~No amusement machines of any kind shall be permitted on the premises.~~

(e.) Application for the Councils consent for a Tavern / Shebeen / Small Liquor Outlet for off-site consumption, shall be considered in terms of the Councils prevailing policies in respect of these land uses and parking shall be provided to the satisfaction of the Council.

(f.) Any consent application for a Tavern shall be considered as a Place of Amusement and the type of amusement shall be specified, determined, and assessed to the satisfaction of the Council.

(14.) The following conditions are applicable to erven or sites and/or townships as indicated in Table 1, as well as all other erven or sites that contain restrictive conditions in their Deeds of Title relating to the underlying presence of dolomite limestone rocks. The Council reserves the right to add to the list of Townships and related erven from time-to-time as more information becomes available :

(a.) Only wells or boreholes, which may be required by the Department of Water Affairs and/or the Council for Geoscience, may be sunk on the erf.

(b.) No French Drains, nor any other type of soak-away, nor any type of ~~on~~ unlined pond, are allowed on the erf;

(c.) Sewers and storm water pipes must be of durable material and provided with flexible sealing joints to the satisfaction of the Council.

(d.) The owner of the erf must make the necessary arrangements to the satisfaction of the Council to ensure that drain pipes convey water away from the foundations of buildings;

(e.) Water shall not be permitted to collect on the erf and the erf shall be drained to the satisfaction of the Council.

(f.) Proposals to overcome detrimental soil conditions to the satisfaction of the Council shall be contained in all building plans submitted for

approval and all buildings shall be erected in accordance with the precautionary measures accepted by the Council.

(g.) A soils/dolomite stability report drawn up by a qualified person, acceptable to the Council, indicating the soil conditions of the property and recommendations as to suitable founding methods and depths or any relevant aspect, shall be submitted to the Council simultaneously with the submission of building plans prior to the commencement of any building operations on the property.

(h.) Trenches and excavations for foundations, pipes, cables or for any other purpose shall be properly refilled with damp soil in layers not thicker than 150mm, and shall be compacted, to the satisfaction of the Council, until the same grade of compaction as that of the surrounding materials is obtained.

(i.) All pipes, which carry water, shall be watertight and shall be provided with watertight flexible couplings, to the satisfaction of the Council.

If the use of a building which has been approved, erected and used for a specific purpose is to be changed, the use for such different purpose shall not be commenced with until the provisions of this Land Use Scheme relating to such different purpose have been complied with, including the submission of an amended building plan and/or Site Development Plan.

16. CONDITIONS APPLICABLE TO PUBLIC GARAGES

Where public garages are to be erected the following land use conditions shall be complied with in addition to any other applicable environmental legislation:

(1.) No material of any kind whatsoever shall be stored or stacked to a height greater than a screen wall as indicated on an approved Site Development Plan;

(2.) No repairs to vehicles or equipment of any kind may be carried on outside the garage buildings or screen wall; and

(3.) No vehicle may be parked or material or equipment of any kind stored or stacked outside the garage building or the screen wall: Provided that petrol pumps and/or oil and fuel installations may be placed outside the building and/or screen wall to the satisfaction of the Council.

17. APPLICATION FOR CONSENT USE

(1.) Any owner intending:

(a.) to erect and use a building in any Use Zone for a purpose for which such building may only be erected, and used in such Use Zone with the consent of the Council; or

(b.) to use land in any Use Zone for a purpose for which such land may only be used with the consent of the Council,

must apply to the Council for the necessary consent as stipulated in terms of the provisions of the City of Johannesburg Municipal Planning By-law, 2016, (as amended, 2023).

(2.) Clause 40 shall apply mutatis mutandis to applications in terms of Sub-clause (1.).

18. APPLICATION FOR WRITTEN CONSENT

Where the written consent of the Council is required (that includes terminology such as permission or written consent) the application procedure as stipulated on the appropriate application form or indicated as part of this Land Use Scheme shall apply to the satisfaction of the Council.

19. SPAZA / HOUSE SHOP

Notwithstanding the provisions of the land development requirements applicable to erven zoned "Residential 1, 2, 3 or 4", as contained in the Land Use Scheme:

(1.) The Council may grant its written consent to the establishment upon an erf or site upon which a dwelling house or dwelling unit has been erected for use as a spaza / house shop, provided that :

(a.) The written consent application shall include the notification of the contiguous neighbours ~~along the street frontage~~ of the subject erf and all other owners / occupants on the same subject erf, if applicable, informing the neighbours of the intent of the owner; indicating that any objections / representations shall be made to the Council and the owner in writing within 28 days from the date of notification.

(b.) The sale and supply of essential pre-packed and / or pre-wrapped items and / or foodstuff as well as the sale of airtime and telephone kiosks may be permitted from the spaza / house shop.

(c.) The sale and consumption of liquor shall not be permitted.

(d.) The sale of meat shall not be permitted.

(e.) No amusement machines of any kind shall be permitted in the spaza / house shop whatsoever.

(f.) The exercising of the spaza / house shop shall exclusively be for the owner / occupant residing in the dwelling house / unit.

(g.) The number of staff employed in the house-shop on the erf shall not without the written consent of the Council exceed two employees.

(h.) The maximum extent of the spaza / house shop that the Council may grant is restricted to 36m².

(i.) The spaza / house shop shall be conducted from a fixed structure for which building plans have been approved. (It may include a container/s)

(j.) In developments governed by sectional title or Home Owners associations, such spaza / house shop shall be accommodated subject to approval of the relevant Body Corporate / Home Owners Association.

(k.) The Council may impose such conditions and requirements as it may deem fit upon approval of the written consent for a spaza / house shop.

(l.) The spaza / house shop shall not disturb or cause an interference with the amenities of the neighborhood at the sole discretion of the Council.

(m.) The residential character of the site shall be maintained to the satisfaction of the Council and the predominant land use shall remain residential.

(n.) The storing or keeping on the site of such dwelling unit of anything whatsoever which, in the opinion of the Council, is unsightly or undesirable shall be prohibited.

(o.) All relevant legislation and Council's By-laws shall be complied with to the satisfaction of the Council.

(p.) Any condition of this consent may be altered or any new condition added thereto by the Council if it is of the opinion that owing to a change in the circumstances or for any other reason such alteration or addition is necessary or desirable from a town planning point of view.

(q.) This consent shall be subject to termination by the Council if, after affording the owner of the land to which this consent relates a hearing, it is of the opinion that owing to a change of circumstances or for any other reason it is undesirable for the consent to remain in force.

20. HOME ENTERPRISES FOR PROFESSION AND/OR OCCUPATION

Without prejudice to any of the powers of the Council under the provisions of this Land Use Scheme or any other law, nothing in the provisions of this part of the Land Use Scheme shall be construed as prohibiting or restricting or enabling the Council to prohibit or restrict the practice by any permanent occupant of a dwelling house / unit of a home enterprise / profession/s or occupation/s or use of a dwelling house / unit for the purpose of a Home Enterprise, provided that:

(3.) The principal of the non-residential activity shall be the permanent occupant on the site.

(4.) A maximum of four (4) ~~two (2)~~ other persons additional to the members of the household who permanently reside on the site and who own and operate the business from the home may be taken into partnership on the site in relation to the home enterprise / profession/s or occupation/s exercised from the site.

(5.) The home enterprise / profession/s or occupation/s should not negatively impact on any infrastructure services greater than normally required for domestic use.

(6.) Parking, for the additional four (4) persons refer to in sub-clause (4.) above, as well as loading and off-loading activities directly related to the home enterprise / profession/s or occupation/s shall be to the satisfaction of the Council.

(7.) The display of a non-luminous notice or sign on the boundary fence or building, to indicate only the name, profession / occupation, business logo and telephone number/s of such a permanent resident, shall be permitted in compliance with the prevailing outdoor advertising by-laws.

(8.) A home enterprise / profession/s or occupation/s of such a nature that would cause an undue increase in traffic in the neighbourhood or the passing of heavy vehicles through the neighbourhood, neither the congregating of workers in relation to the home enterprise / profession/s or occupation/s from the dwelling house / unit shall not be permitted.

(9.) Interference, in the opinion of the Council, with the amenities of the neighbourhood by means of noise, smell, dust, aesthetic appearance or any other manner, shall not be permitted.

(10.) The storing or keeping on the site of anything whatsoever which, in the opinion of the Council, is unsightly or undesirable or a risk to the safety and security of residents, such as ammunition, weapons, fire arms, explosives, fireworks, chemicals and waste or something which cannot be accommodated by the ordinary design of a dwelling house or dwelling unit shall not be permitted.

(11.) Should the permanent occupant wish to practice a home enterprise / profession/s or occupation/s from a non-permanent (for example tents, gazebo and caravans) structure on the site, such practice shall be subject to permission being granted by the written consent of the Council accompanied by a plan indicating the nature, size and position of the container or non-permanent structure on the site. This written consent may be subject to the submission of a building plan.

(12.) In developments governed by Sectional Title or Home Owners Associations, such home enterprise / profession/s or occupation/s shall be accommodated subject to approval of the relevant Body Corporate / Home Owners Association.

(13.) All relevant legislation and Council's By-laws shall be complied with to the satisfaction of the Council.

21. SUBSIDIARY DWELLING UNIT

Notwithstanding the provisions of the land development requirements of the erf, as contained in the Land Use Scheme:

(1.) An owner may erect and use a maximum of two subsidiary dwelling units on an erf zoned "Residential 1", subject to the following conditions:

(a.) In the event of a subsidiary dwelling unit/s being in excess of one storey, the written consent of the Council shall be required; such written consent shall include the notification of the neighbours; informing the neighbours of the intent of the owner; indicating that any objections / representations shall be made to the Council and the owner in writing within twenty-eight (28) days from the date of notification.

(b.) The two (2) subsidiary dwelling units shall be inclusive of staff accommodation;

(c.) The total combined floor area of the subsidiary dwelling units shall not exceed 160m² or 90% of the main dwelling house whichever is the lesser;

(d.) A subsidiary dwelling unit may only be erected in relation to an existing dwelling house;

(e.) A subsidiary dwelling unit may be attached to or detached from the main dwelling house but in the former instance may not be interconnected;

(f.) A subsidiary dwelling unit may consist of interconnected rooms or unconnected rooms.

(i.) The unconnected rooms may be self-contained or may share communal ablution and/or kitchen facilities.

(ii.) In an interconnected subsidiary dwelling unit, the unit may be rented out to a household or three (3) bedrooms may be rented to individual persons.

(iii.) In an unconnected subsidiary unit, rentable rooms, the minimum size of a habitable space shall not be less than 9m², excluding ablutions and kitchens, or 6m² per person for more than one person.

(iv.) Rentable rooms may be self-contained (including ablutions and kitchens) provided that the room may not exceed 25m².

(v.) A subsidiary dwelling unit is equivalent to three (3) rentable rooms which may share a kitchen and/or ablution facilities or three (3) self-contained rentable rooms.

(g.) Parking shall be provided to the satisfaction of the Council;

(h.) No outbuildings may be erected in relation to the subsidiary dwelling units other than a garage/s;

(i.) The access, positioning and design of the subsidiary dwelling units shall be to the satisfaction of the Council;

(j.) The screening of the subsidiary dwelling units shall be to the satisfaction of the Council;

(k.) The amenity of the area shall not be disturbed at the sole discretion of the Council;

(l.) Where an owner of a "Residential 1" property exercised the right of a subsidiary dwelling unit, neither the subsidiary dwelling unit nor the dwelling house may be sectionalized;

(m.) In the event of subdivision in accordance with the prevailing density guidelines a newly created portion may contain the detached subsidiary dwelling unit, which may now be re-defined as an existing dwelling house;

(n.) When an owner exercises the right for the subsidiary dwelling units, engineering services contributions in terms of the prevailing policies for engineering services, may be payable on submission of the building plan as determined by the Council.

22. CONDITIONS FOR CHILD CARE CENTRES, ~~AND~~ EARLY CHILDHOOD DEVELOPMENT CENTRES AND AFTER CARE CENTRES ON RESIDENTIAL ERVEN

(1.) Subject to the provisions of Sub-clause (1.) the Council may grant its consent to the erection upon an erf or site upon which a dwelling house or dwelling unit has been erected or to a building for use as a place of instruction for a child care centre.

(2.) The Council shall not grant its consent in terms of Sub-clause (1.) unless there is sufficient area on site for the activities connected with the proposed child care centre including the necessary parking requirements to the satisfaction of the Council as well as the provision of areas for the dropping off and collecting of children. Where necessary such application shall be accompanied by a Traffic Management Plan to address peak hour operations.

(3.) No consent is required if six (6) or less children are accommodated on the erf.

(4.) No consent is required if ten (10) or less children are accommodated in an after-care centre.

23. CONDITIONS RELATING TO RELIGIOUS PURPOSES

(1.) The Council shall not grant its consent to any religious purposes where there is any interference with the amenities of the neighbourhood with regard to noise, parking, traffic, etc.

(2.) All applications shall be accompanied by a Traffic Management Plan to address peak hour operations.

(3.) No Religious Purposes shall be permitted within residential complexes.

24. CONDITIONS RELATING TO AGRICULTURAL HOLDINGS AND FARM LAND

The following ~~flowing~~ is applicable with regard to consent use applications on agricultural holdings and farm land:

(1.) No development that generate the need for the upgrade of municipal services, (roads, electricity, water, sewerage and storm water). If any detailed engineering investigations are required in order to establish whether any external services upgrading will be required, then these investigations should be done upfront prior to submission of any consent use application.

(2.) The Council reserves the right to call for any necessary additional information required during evaluation of an application, including inter-alia, a geotechnical investigation report, flood line investigations / certification, traffic studies and services outline scheme reports.

(3.) Only one land use shall be permitted. (This does not include an existing dwelling house.)

(4.) The property may not be subdivided.

(5.) A Site Development Plan shall be submitted for approval prior to approval of building plans.

(6.) These shall include specific land uses such as:

- (a.) Guest house / bed and breakfast for 15 rooms / suites.
- (b.) Places of Instruction for a maximum of 100 learners.
- (c.) Tea gardens and restaurants with seating for 80 patrons.
- (d.) Conference facilities for a maximum of 80 delegates.
- (e.) Religious Purposes for 100 worshippers.
- (f.) Sports grounds for existing adjacent or nearby Places of Instruction.
- (g.) Green energy installations for renewable energy provision.
- (h.) Show jumping and riding events related to horse stables and riding schools

(i.) Sporting and recreation facilities such as but not limited to golf courses, paintball, go-cart racing and zip lining.

(j.) Institutions such as but not limited to orphanages for 50 people.

(k.) Veterinary services with not more than two veterinary practitioners and restricted to 250m^2.

(l.) Day Spa limited to 250m^2.

(m.) Self-storage limited to 1 000m^2 or 20% of the site area, whichever is the lesser.

25. ERVEN AFFECTED BY SERVITUDES

The provisions of floor area, coverage, height and building lines shall not be affected by the indications of servitudes over an erf or site.

26. CONSOLIDATION AND SUBDIVISION OF ERVEN

(1.) Subject to the provisions of Section 33 of the City of Johannesburg Municipal Planning By-law, 2016, (as amended, 2023), the Council may grant its approval to the subdivision of any erf or consolidation of erven, subject to such conditions as it may deem fit and in accordance with the density guidelines as per Clause 27 and the applicable Council policy.

(2.) In considering an application for its approval for consolidation and/or subdivision as contemplated in Sub-clause (1.)the Council shall, in addition to any other relevant factors, have regard to:

(a.) Whether the said consolidation and/or subdivision is necessary and desirable in relation to the location of buildings on the erf to be subdivided and/or consolidated;

(b.) Whether there is adequate and unhindered access to and from the erven or sites; where a panhandle erf or site is created through subdivision the width of the panhandle shall be to the satisfaction of the Council which shall ~~not be less than four (4) metres~~ be at least 4 metres and at most 8 metres wide.

(c.) In a case of Residential 1 zoning with not more than 2 units, a panhandle width less than 4m metres can be considered at the satisfaction of JRA.

For other land uses and specifications it shall be in line with JRA's standards.

(d.) Where the major vegetation and/or prominent natural features are positioned on the erf or site that the owner retains such as far as possible.

(3.) No consolidation of two (2) or more erven with different Use Zones or ~~Schedules / Annexures~~ development controls and/or specific conditions shall be permitted unless appropriately rezoned.

(4.) Erven that have been developed with semi's (two (2) dwelling units under one (1) roof), in accordance with the provisions of previous town planning schemes, may be subdivided in accordance with the provisions of this Land Use Scheme.

(5.) The Council may grant approval to:

(a.) the subdivision of an erf zoned "Residential 1", one dwelling house per erf;

(b.) the subdivision of an erf zoned "Residential 1", which would have the effect of creating an erf or erven smaller in size than the minimum area specified in Table 3.

(c.) If an erf is subdivided in terms of the general Council Policy of 20 units per hectare and/or other specific density policy and/or guideline in place, not more than four (4) portions may be created in terms of the provisions of Sub-clause (a.) and (b.).

(d.) If an erf is subdivided in terms of Sub-clause (5.)(a.), (b.) or (c.) to 20 units per hectare or less, each subdivided portion shall have direct access to a public road.

(6.) The Council may grant its approval to the subdivision of an erf zoned "Residential 2, 3 or 4", whether or not a density is indicated in terms of Table 3, in accordance with an approved Development Plan with proposed divisions as contemplated in Clause 39.

(7.) Such approval for subdivision is subject to time limitations as contained in Section 33 (10) and (11) of the City of Johannesburg Municipal Planning By-laws, 2016.

(8.) Upon the approval of a subdivision the following conditions shall be included as conditions of title of each and every subdivided portion :

(a.) The erf is subject to a servitude, two (2) metres wide, in favour of the local authority, for sewerage and other municipal purposes, along any two boundaries other than a street boundary and in the case of a panhandle erf, an additional servitude for municipal purposes two (2) metres wide across the access portion of the erf, if and when required by the local authority: Provided that the local authority may dispense with any such servitude.

(b.) No building or other structure shall be erected within the aforesaid servitude area and no large-rooted trees shall be planted within the area of such servitude or within two (2) metres thereof.

(9.) The local authority shall be entitled to deposit temporarily on the land adjoining the aforesaid servitude such material as may be excavated by it during the course of the construction, maintenance or removal of such sewerage mains and other works as it, in its discretion may deem necessary and shall further be entitled to reasonable access to the said land for the aforesaid purpose subject to any damage done during the process of the construction, maintenance or removal of such sewerage

mains and other works being made good by the local authority. The Council shall attach the conditions of the approved subdivision to the zoning information of all the newly created erven concerned. In the event of the cancellation or lapsing of such subdivision the Council may remove such conditions and do the appropriate adjustments.

(10.) Upon the approval of a subdivision application all the conditions of approval shall :

(a.) Be in addition to the general conditions, restrictions and other provisions of this Land Use Scheme

(b.) Should there be conflict with any such other conditions, restrictions or provisions in this Land Use Scheme including the provisions and conditions contained in an Annexure or Schedule applicable to the erf, the most restrictive conditions shall prevail.

SECTION 2:
MANAGEMENT OF LAND DEVELOPMENT RIGHTS

This Section of the City of Johannesburg Land Use Scheme contains all of the general land development rights associated and connected with the Use Zones as detailed in Section 1, including height, coverage, floor area and density requirements. It also elaborates on building restrictions and parking requirements. The overall purpose of this Section is to determine the land development and administration processes that the Council has at its disposal to manage the urban form in a sustainable and innovative way.

PART IV: LAND DEVELOPMENT REQUIREMENTS

27. DENSITY DEVELOPMENT REQUIREMENTS

(1.) The number of dwelling houses or dwelling units that may be erected on an erf or site shall be in accordance with Table 3.

(2.) In all Use Zones other than "Residential 1 and 2~~, 3, 4 and 5~~" (or where specified in an Annexure / Schedule) where residential use is permitted, dwelling houses, dwelling units, mobile dwelling units and residential buildings shall only be erected in accordance with the provisions relating to height, coverage and floor area ratio applicable to the erf or site concerned.

(3.) If an erf or site is situated in more than one Use Zone, buildings may be erected without subdivision of the erf or site, in accordance with purposes permitted in each Use Zone on the various parts of such erf or site.

~~(4.) In the event of a cluster development (Free Hold Title) on "Residential 2, 3 and 4" the density shall be restricted to a maximum of 30 dwelling units per hectare~~

~~(5.)~~(4.) In all other instances the density is to be aligned with the applicable policies of the City of Johannesburg.~~.~~

28. HEIGHT DEVELOPMENT REQUIREMENTS

(1.) The number of storeys, excluding basement storeys that may be contained in a building shall be determined by a designated Height Zone detailed in Table 4.

(2.) Save with the consent of the Council and/or the relevant controlling authority, no building shall exceed a height of 1950m above mean sea level. For the purpose of this clause the height exclusions in terms of the height definitions shall not apply.

(3.) Subject to the provisions of this Part of the Land Use Scheme, no building shall be erected so as to contain a number of storeys in excess of the number specified in Sub-clause (1.): Provided that an additional storey may be permitted with the consent of the Council (refer to Clause 40).

(4.) In considering applications for the Council's consent in terms of Sub-clause (2.), the Council shall, in addition to any other relevant factors have regard to:

(a.) The location and topography of the erf or site;

(b.) Whether, for example, the additional open space resulting from a building containing more than four storeys is more desirable than that which would result from a four storey building;

(c.) The effect on the surrounding area with particular emphasis on the possible obstruction of view, overshadowing or breaking of the natural skyline; and

(d.) The desirability of creating a focal point on the site.

(e.) Resulting in net zero emissions developments.

29. GROUND STOREY AND BASEMENT STOREYS

(1.) A building shall have only one (1) ground storey and, save for a building consisting of only one (1) storey, the building plans of a building shall indicate which the ground storey is.

(2.) All storeys below the ground storey shall be indicated as basement storeys on building plans and shall comply with the provisions as set out in the definition of basement.

(3.) Basement storeys shall not be taken into account in the determination of the permissible number of storeys in a building as per definition of basement; however, if basements are used for any other purpose other than parking, such areas shall be included as floor area.

30. THE 59º HEIGHT LINE LIMITATION

(1.) Any building erected in Height Zone C shall not project above a line drawn at an angle of 59˚ to the horizontal from a point at street level on the street boundary opposite to the street boundary onto which the site fronts.

(2.) The Council may grant its consent in terms of a Site Development Plan as detailed in Clause 39 to the erection of a building governed by Height Zone C, which will project above the 59˚ height line referred to in Sub-clause (1.), subject to such conditions as it may deem fit.

31. COVERAGE DEVELOPMENT REQUIREMENTS

(1.) No building shall be erected so as to cover a greater proportion of its erf than is permitted in terms of Table 5.

(2.) The provisions of Sub-clause (1.) shall apply to every storey in a building, including any basement storey.

(3.) The Council may grant its written consent:

(a.) To any basement storey which is below natural ground level being constructed so as to exceed the coverage permissible in terms of Sub-clause (1.).

(b.) To the area covered by private parking garages so as to exceed the coverage permissible in terms of Sub-clause (1.).

(c.) In considering an application for its consent in terms of Sub-clause (2.)(a.) the Council shall in addition to any other relevant factors have regard to the likely effect upon ~~plant life~~ ecological features, possible future road improvements and the location of essential services.

(d.) To the area covered by green energy installations to exceed the coverage permissible in terms of Sub-clause (1.).

(4.) The Council may grant its written consent to the coverage being increased:

(a.) In respect of an erf or site fronting onto a pedestrian mall;

(b.) On any Use Zone to an additional maximum of 10%.

(c.) In considering an application for its consent in terms of Sub-clause (3.)(c.)(a.) the Council shall in addition to any other relevant factors have regard to the likely effect upon ~~plant life~~ ecological features, possible future road improvements and the location of essential services.

(d.) On Residential 1 zoned erven, smaller than 500m² the coverage for a single storey building may be 60%.

(5.) The coverage as reflected in Table 5 shall not be applicable to residential cluster / group housing (freehold) development, in which instance the coverage shall be determined in terms of an approved Site Development Plan.

(6.) The coverage as reflected in Table 5 shall not be applicable to the, "Agricultural" and "Undetermined" Use Zones, developed for a dwelling house only, in which instance the coverage shall not exceed 30%.

32. FLOOR AREA RESTRICTIONS

(1.) No building shall be erected so as to exceed the floor area ratio as prescribed in Table 6 of the Land Use Scheme. The floor area ratios as given in columns 2, 3, 4 and 5 of Table 6 are applicable to buildings erected in the Height Zones given in Table 4.

(2.) In the case of an erf situated at the junction of two roads the applicable floor area ratios of which are not equal, the higher floor area ratio shall apply for a distance of 15,75m, measured along the street with the lower applicable floor area ratio. This is applicable in the Inner City Annexure 17 (A/S 4458) only.

(3.) If an erf has no street frontage and access to a road is gained over another erf which fronts onto such street, the floor area ratio of the latter erf shall apply to such erf. This is applicable in the Inner City Annexure 17 (A/S 4458) only.

(4.) The floor area ratio as reflected in Table 6 shall not be applicable to residential cluster / group housing (freehold) development, in which instance the floor area ratio shall be determined in terms of an approved Site Development Plan.

33. ADDITIONAL FLOOR AREA

(1.) The Council may grant its written consent to the floor area ratio being increased:

(a.) On any Use Zone to an additional maximum of 0,1;

(b.) In considering an application for its consent in terms of Sub-clause (1.) the Council shall in addition to any other relevant factors have regard to the likely effect upon ~~plant life~~ ecological features, possible future road improvements and the location of essential services.

(2.) The Council may with the written consent increase the floor area in respect of erven in the Inner City as per Annexure 17 (A/S 4458) in Height Zone C.

(3.) The Council may with the written consent increase the floor area in respect of an erf or site fronting onto a pedestrian mall.

PART V: BUILDING RESTRICTION AREAS

34. BUILDING LINES AND BUILDING RESTRICTION AREAS

(1.) Building lines applicable to street boundaries are given in Table 7.

(2.) Subject to the provision of Sub-clause (3.) and Clause 35, no building shall be erected in a building restriction area.

(3.) Sub-clause (2.) is not applicable to boundary fences; garden walls; garden fences; garden ornaments; garages and carports with indirect access and associated single storey ~~domestic~~ outbuildings / staff accommodation (related to / ancillary to dwelling houses,~~;~~ dwelling units and residential buildings); electrical high and low tension chambers; pergolas; guard houses; / access structure; roofed refuse areas; antenna; cellphone mast without base stations; satellite dishes; or swimming pools: Provided that such exemption does not apply along any provincial or national road in so far as it would be contrary to the requirements of the controlling authority.

(4.) Due to the existence of omnibus servitudes and municipal services situated on properties, any / all such services shall be indicated on the building plan and where a building/s, whether such structure/s is on or above surface or below surface, or any building works (retaining walls, etc.), is closer than two (2) metres from any boundary, the specific clearance from all the services departments shall be obtained.

35. CONSENT TO BUILD IN THE BUILDING RESTRICTION AREA

(1.) The Council may consent to the erection of buildings :

(a.) In the building restriction area between the building line and street boundary;

(b.) In the case of structures below ground level or mainly below ground level, in the building restriction area between the building line and the street boundary;

(c.) Buildings may be erected between the building line and the boundary of a sanitary lane if it is not in conflict with the Council's by-laws.

(d.) Such consent may not be granted along any provincial or national road where such consent would be contrary to the requirements of the controlling authority.

(2.) A consent granted in terms of Sub-clause (1.) shall be valid for the life of the building in respect of which such consent was granted, or for any

shorter period that may be specified by the Council as a condition of its consent.

(3.) In considering an application for its consent in terms of Sub-clause (1.) the Council shall, in addition to any other relevant factors, have regard to:

(a.) The possibility of future road improvements;

(b.) The location of the building in relation to surrounding sites and buildings;

(c.) The slope of the land comprising the erf or site in relation to the slope of surrounding land;

(d.) The arrangement of the buildings on the erf;

(e.) All existing and/or future servitudes for engineering services;

(f.) Any factor indicating the compliance with the building line would unreasonably interfere with the development of the erf.

(g.) If an erf or site abuts a provincial road or a national road, a building restriction shall be applicable in accordance with the standards laid down by the relevant Provincial Department or controlling body.

PART VI: PARKING AND LOADING

36. PARKING DEVELOPMENT REQUIREMENTS

(1.) The provisions for parking in this Part of the Land Use Scheme shall not apply to land or land and buildings where such land or buildings, or both, are used exclusively for public or private parking areas: Provided that in a building to be used or erected and used, partly for a public parking area and partly for other uses, this Part shall apply to that part of said land or building used or erected and used for such other uses; parking shall not be used for the exclusive use of tenants. Where ~~If~~ parking is ~~demarcated /~~ reserved, it shall be over and above the standard parking requirement.

(2.) Parking and associated access ramps and walkways, dedicated to accommodating people with disabilities, shall be provided at a ratio of one (1) bay for people with disabilities for every twenty-five (25) bays, or part thereof provided. Such parking and associated access ramps and walkways shall be laid out and construction at the required specifications and standards.

(3.) For the purposes of calculating the number of parking bays that can be provided, it shall be deemed that one parking bay is equal to an area of 30m²; should taxi bays be provided on-site, (where taxi bays are provided such bays shall be on known and confirmed taxi routes to the satisfaction of the Council) one (1) taxi bay shall be the equivalent of eight (8) parking bays; two (2) motorbike bays shall be equivalent to one (1) parking bay; should non-motorised facilities be provided, five (5) non-motorised facilities shall be the equivalent of one (1) parking bay; drop-off zones for busses at any educational facility will be the equivalent of three (3) parking bays; provided that a maximum of 10% of the total number of parking bays required may be replaced by the afore-mentioned parking modes. (This percentage may be further increased on submission of a written consent application.)

(4.) Subject to the provisions of Sub-clause (6.) parking shall be provided in a manner satisfactory to the Council in respect to buildings and use of land on erven or sites, which shall be the number of bays specified in Table 8 or Table 9, applied according to the locality of the erven or sites, which will fall in one of the following three (3) parking zones :

(a.) **Parking Zone A** : being the Johannesburg Inner City

In this parking zone, parking may be provided as per the ratios in Table 9. (Annexure 17.)

(b.) **Parking Zone B** : for areas as defined in the Spatial Development Framework (SDF) Sub-clause

(c.) **Parking – Remainder of City** : the area of jurisdiction, not defined under Zones A and B above

(5.) Areas covered by Zone B include the following :

(a.) Public Transport priority areas: areas located within 500 meters walking distance from PRASA rail stations, Gautrain and Bus Rapid Transport (BRT) stations.

(b.) Areas within the priority Transit Oriented Development Corridors.

(c.) Deprivation / Marginalised areas, as ~~defined~~ delineated in the Spatial Development Framework of the City of Johannesburg.

(d.) Transit Oriented Development (TOD), Metropolitan and Regional nodes.

(6.) The Council, when considering a written consent application for deviation of the parking requirements in Zone B and the Remainder of the City shall, where the minimum required parking as per Table 8 cannot be provided, in addition to any other relevant factors, take the following into account :

(a.) The areas listed under Sub-clause (5.)

(b.) The total parking provision (private / public) in the area where the proposed development is located.

(c.) If public transport facilities are provided and maintained on site by the applicant / owner, at the owner's own cost.

(d.) Availability of off-street parking in the vicinity of the site.

(e.) The possible impact of shared-parking utilization in mixed land use developments located within reasonable walking distances on the same site.

(f.) The number of staff members and customers related to the use of the land or building on site.

(g.) the socio-economic structure and density of the population that is served by the development.

(h.) the size and nature of the proposed development on the site and the size or type of vehicles likely to be used in connection with the land use conducted on the site.

(i.) the likelihood of a reduction in parking provision causing injury to the amenity of the area in which it is or will be situated including, without prejudice to the generality of the foregoing, increased traffic and parking difficulties.

(7.) Retail shopping centres in excess of 5 000m² floor area shall provide public transport facilities and associated informal trading facilities and ablutions, the extent of which shall be to the satisfaction of the Council.

37. ALTERNATIVES TO THE PROVISION OF ON-SITE PARKING

Where the parking accommodation with regard to an erf or site has been determined in terms of Clause 36, the Council may, if satisfied of the necessity and desirability thereof, on account of the size of the site, the nature of the buildings thereon and the likely parking demand, grant written consent for the provision of the required number of parking bays elsewhere than on the site of the building / development concerned.

With regard to the obligation to provide parking accommodation on a site, the Council has, in terms of this Land Use Scheme or in terms of similar provisions in any town planning scheme previously administered by the Council, granted such consent, then the arrangement thus consented to as an alternative to the provision of parking on site shall be taken into account in the form of a credit against any parking accommodation, which has to be provided where erecting any building on the site following such consent.

38. LOADING AND OFF-LOADING

Loading and off-loading facilities for goods and passengers shall be provided on an erf or site to the satisfaction of the Council, provided that the Council may relax this requirement on submission of a written application for consent, accompanied by a Site Development Plan.

PART VII: LAND DEVELOPMENT ADMINISTRATION

The Council, when considering any application for its consent for the erection and use of a building, or for the use of land, shall, in addition to other factors which it must take into account, have regard to whether such use or building is likely to cause injury to the amenity of the area in which it is or will be situated including, without prejudice to the generality of the foregoing, increased traffic, parking difficulties, and in the case of an industrial building, injury caused by the emission of noise, air or water emissions and pollution.

39. SITE DEVELOPMENT PLANS

Site Development Plans are required by the Council:

(1.) A condition of an application, including consent use applications, as and when required by the Council; or

(2.) On all Use Zones other than erven zoned "Residential 1" or land that is developed with a dwelling house only;

~~(2.)~~(a.) Should a dwelling house be developed in any Use Zone, with the addition of subsidiary dwelling units in compliance with Clause 21 of the Land Use Scheme, a Site Development Plan will not be required, the additional units shall be considered as subsidiaries dwelling units.

(3.) For the development of any structures by any party on erven or sites with a "Public Open Space" use in terms of the Land Use Scheme; or

(4.) All erven within a registered Special Development Zone; or

(5.) On erven in an Environmental Control Area; or

(6.) Where required in any other part of the Land Use Scheme.

(7.) Such Site Development Plan shall be drawn at a scale of 1:500 or such other scale as may be required by the Council, and shall be approved by the Council before any building plan in connection with the proposed development may be considered by the Council.

(a.) Provided that subsequent amendment or additions to buildings which in the opinion of the Council are not a material deviation may be considered on the submission of a building plan.

(b.) Where an overall Site Development Plan has been approved for a residential cluster / group housing (freehold) development, further minor amendments thereto may be considered on the submission of a building plan.

(c.) Where there are amendments to the internal layout of structures, an amended Site Development Plan may not be required, expect where there is a change of use and addition of floor area.

(8.) Unless the Council requires less information, a Site Development Plan shall show at least the following:

(a.) The siting, height, floor area and coverage of all buildings; specific detailed floor plans for residential developments;

(b.) Children's play areas;

(c.) Pedestrian and vehicular entrances and exits to the erf or site;

(d.) If the erf or site is to be subdivided, the proposed subdivision lines;

(e.) Pedestrian access to buildings and parking areas and to and from the erf or site;

(f.) Universal access measures, parking and associated access ramps and walkways for the disabled and partially disabled persons;

(g.) Building restriction areas (if any), boundary walls, fences, screening;

(h.) All servitudes and/or existing municipal services and/or any proposed engineering services affecting the erf shall be accurately indicated, including boreholes;

(i.) Parking and maneuvering areas, and where required by the Council, circulation of vehicular and pedestrian traffic;

(j.) Elevational treatment of all buildings;

(k.) If it is not proposed to develop the whole erf or site simultaneously, the grouping of the dwelling units and the programming of the development thereof, must be clearly indicated on the plan;

(l.) Steps to be taken to control storm water runoff in compliance with the storm water by-laws, read with the stormwater design manual;

(m.) Landscaping including existing, ~~mature~~ vegetation on the site or erf;

(n.) Contours;

(o.) Surrounding developments and their relation with the proposed development.

(p.) Open spaces and landscaping of the site shall include but not be limited to :

(i) All landscaping and existing ~~mature~~ vegetation on the site or erf. Landscaping includes soft landscaping i.e. trees, grass, shrubs, flowers and including rooftop gardens, and hard landscaping i.e. non plant materials stones, steps, walkways, permeable paving.

(ii) A minimum of 10% of the site shall be landscaped with soft materials and the use of indigenous vegetation.~~.~~

(iii) A minimum of one (1) indigenous tree per three (3) parking bays [open or covered] shall be provided.

(iv) A minimum of 1,5 x 1,5-metre openings shall be required to allow more space around the trees.

(v) Should parking bays be developed head-to-head, one (1) indigenous tree must be provided for every four (4) parking bays in conjunction with landscaped islands.

(vi) All watercourses. ~~hydrological features including such as, but not limited to, pans, ponds, dams, drainage features and wetlands.~~

(vii) Natural environmental features such as, but not limited to, special geological formations and grassland and environmentally sensitive areas identified in approved EIA's as non-developable areas.

(q.) Energy efficiency measures.

(r.) Grey water harvesting, including rainwater harvesting and onsite water storage.

(s.) Refuse area / Waste Collection area, (Inclusive of waste generation calculations.).

(t.) Recycling storage areas provided.

(u.) And any other additional information if so required by the Council.

(9.) Public transport, metered taxis and pedestrians (including 'kiss-and-ride' drop-off) should be given priority over private vehicles on layouts of developments on Site Development Plans. Walking distances to drop-off areas should be kept to a minimum from the entrances to the developments. Thus, development layouts / Site Development Plans could also encompass a drop-off area for public transport and metered taxis, as well as 'kiss-and-ride' drop-off facilities (where there is a need for private vehicles to drop off people without parking).

(10.) Site Development Plans shall demonstrate appropriate design responses to achieving universal accessibly, safe, resilient, low-carbon emission developments.

40. CONSENT OF THE COUNCIL

(1.) Application to the Council for any consent which, in terms of this Land Use Scheme it is empowered to grant or refuse, shall be made by the owner as defined to which the application relates in terms of the City of Johannesburg Municipal Planning By-law, 2016, (as amended, 2023).

(2.) Any condition imposed in terms of a consent shall have the same force and effect as if it were a clause of this Land Use Scheme.

(3.) A consent granted by the Council in terms of this Land Use Scheme may be subject to termination by the Council if any breach of a condition upon which such consent was granted is not remedied in compliance with a notice served by the Council upon the owner or occupier of the erf or site concerned after affording the applicant an opportunity for a hearing.

(4.) The notice referred to in Sub-clause (2.) shall require that the breach be remedied within a specified period.

41. WRITTEN CONSENT APPLICATION PROCESS

(1.) If a provision in this Land Use Scheme requires the written consent of the Council, the applicant shall, submit a written motivation detailing the nature of such application and shall be accompanied by such supporting documents as may be required and any applicable fees.

(2.) Any condition imposed in terms of a written consent shall have the same force and effect as if it were a clause of this Land Use Scheme.

(a.) A written consent granted by the Council in terms of this Land Use Scheme may be subject to termination by the Council if any breach of a condition upon which such written consent was granted is not remedied in compliance with a notice served by the Council upon the owner or occupier of the erf or site concerned after affording the applicant an opportunity for a hearing.

(b.) The notice referred to in Sub-clause (a.) above shall require that the breach be remedied within a specified period.

42. TEMPORARY CONSENT

Notwithstanding anything to the contrary contained in this Land Use Scheme, it shall be competent for the Council to consent to the temporary use of any land or building within any Use Zone, for the following:

(1.) Where the Use Zone permits the proposed use, the written consent of the Council is required.

(2.) The occasional use of buildings or land for uses such as concerts, fairs, circuses, exhibitions, bazaars, public gatherings, celebrations, religious purposes, institutions, place of instruction, social halls, place of amusement; with the written consent of the Council not exceeding seven (7) ~~three (3)~~ days.

Should more than seven (7) ~~thee (3)~~ days but less than thirty (30) days be required or if the use is required or more than 4 times a year (quarterly), the full procedure as per City of Johannesburg Municipal Planning By-law, 2016, for consent of the Council shall be applied for.

(3.) The Council is entitled to withdraw the approval given in terms of Sub-clause (1) and (2), should the land use in respect of which approval / consent was given be misused or if the use of the buildings or land for the approved purpose is detrimental to the amenity of the area at the sole discretion of the Council.

43. CONTRAVENTIONS / ILLEGAL LAND USES

Any person who:

(1.) Contravenes or fails to comply with any provision of this Land Use Scheme; or

(2.) Contravenes or fails to comply with any requirements set out in a notice issued and served in terms of this Land Use Scheme; or

Column 9 : The floor area ratio or "FAR".

Column 10 : Parking provisions.

Column 11 : Density provisions.

Column 12 : Building line provisions.

Column 13 : ~~General provisions~~. Special conditions

Column 14 : The Amendment Scheme Number.

(3.) Whenever an L appears thus: L, it indicates that vegetation of the open areas of the site must be undertaken and maintained by or on behalf of the owner to the satisfaction of the Council.

(4.) Wherever an asterisk appears thus: *****, it indicates that the general provisions of this Land Use Scheme, relating to the subject matter in the respective column, apply unless specifically excluded.

45. ANNEXURE (SHALL BE USED FOR TOWNHSIPS)

(1.) Special rights, conditions and restrictions, which may apply to any property / township / area within any Use Zone, may be indicated in an Annexure to this Land Use Scheme.

(2.) The special conditions and restrictions referred to in Sub-clause (1.) shall:

(a.) Be in addition to the general conditions, restrictions and other provisions of this Land Use Scheme

(b.) Prevail should they conflict with any such other condition, restriction or provision in this Land Use Scheme.

(3.) An Annexure contemplated in Sub-clause (1.) consists of:

(a.) A sheet upon which is inscribed the number of such Annexure, a description of the property / township / area to which it applies, the special rights, conditions and restrictions applying to the property, and the number and name of the relevant Amendment Scheme in terms of which the Annexure was prepared.

(b.) A diagram of the property concerned, which diagram shall accord with the layout shown on the Map.

(c.) The number of the relevant Annexure is inscribed inside a double circle within or next to the figure of the relevant property on the A-Series of the Map and if it be inscribed next to such figure. It shall be joined to the figure by means of a line.

SECTION 3:
PROMOTION OF LAND DEVELOPMENT

The purpose of Section 3 of the Land Use Scheme is to elaborate on innovative mechanisms that can be utilised in the land development process to further a specific vision as identified by the City of Johannesburg. These tools, which can be either incentives or disincentives, promote the new perspective of good urban management and strategic planning with the aim of achieving a sustainable and responsive urban form.

PART VIII:
SPECIAL MECHANISMS FOR LAND DEVELOPMENT

46. SPECIAL DEVELOPMENT ZONES

For the purposes of strategic intervention in the land development and investment process, the Council may, from time-to-time designate a Special Development Zone, which includes a number of erven or sites with their individual land use zonings. The Special Development Zone, which will need to be approved and advertised, shall have a specific function and include a number of developmental tools so as to achieve desired objectives. The Special Development Zone shall comprise the following, in order to be advertised:

(1.) A geographical delineation of the Special Development Zone, ensuring that the boundaries are cadastrally based or geographically identifiable;

(2.) Statement of policy and intention that elaborates on the given developmental perspective and which will be used by the Council in the assessment of land development applications within the Special Development Zone;

(3.) A consultation result, which elaborates on the consultation process with interested and affected parties within the proposed Special Development Zone, as well as their response and uptake;

(4.) Background information, development standards and proposed land management tools that will be in force in the Special Development Zone;

(5.) A monitoring and assessment mechanism along with the Council's investment commitment for the public areas and facilities within and supporting the Special Development Zones, including proposed achievement timeframes.

A resolution adopting a Special Development Zone containing the minimum elements detailed in Sub-clause (1.) - (5.) above shall be passed at a meeting of the Council and follow the process detailed below:

(6.) After the passing of a resolution by the Council, the Special Development Zone shall be advertised in the Provincial Gazette and the Local Newspaper and shall simultaneously be open for inspection at the Council office during normal working hours for not less than twenty eight (28) days;

(7.) Further, the Council shall notify all land owners within the Special Development Zone on or before the date of advertisement;

(8.) Representations, comments or objections on the said Special Development Zone or any proposal contained therein may be lodged, in writing, with the Council on or before a certain date. Such date shall not be less than twenty-eight (28) days after the date of the closure of the advertisement period in Sub-clause (6.) above;

(9.) The Council shall consider each representation, comment or objection received within the stipulated period and approve or amend the Special Development Zone, stipulating the date of commencement via a notice in the Provincial Gazette;

(10.) The Council may at any time amend a Special Development Zone, subject to compliance with the procedures set out in Sub-clauses (6.), (7.), (8.) and (9.) of this Clause;

(11.) After a Special Development Zone has been approved by Council it shall be deemed to be the overriding process for the erven falling within its boundaries;

(12.) The Council may revoke a Special Development Zone by passing a Council resolution.

47. TRANSITIONAL INFORMAL SETTLEMENT AREAS

Part 1 Identification of transitional informal settlements

(1.) The Council shall determine if an informal settlement is suitable for incremental upgrading as contemplated in the Spatial Planning and Land Use Management Act, 2013 (Act 16 of 2013); and National Upgrading Support Programme (NUSP) of the National Department of Human Settlements (NDoHS).

(2.) If an informal settlement identified in terms of sub-clause (1.) is suitable for incremental upgrading, the department responsible for human settlements shall submit a report to council/MAYCOM requesting that the informal settlement be included as a transitional informal settlement area.

(3.) The report referred to in subsection (2.) shall be submitted within three months from the date of identifying the settlement and, amongst others, be accompanied by –

a. an implementation plan indicating the proposed process of formalization of the informal settlement;

b. a map demarcating the area to be declared a transitional informal settlement area;

c. an indication whether the land is in private or public ownership or under traditional tenure;

d. a feasibility study;

e. a relocation strategy; if relocation of existing informal housing is required for in-situ upgrading/formalization, an alternative temporary housing provision plan shall be submitted.

(4.) The council/ MAYCOM may, after considering the report referred to in sub-clause (2.), by notice in the Provincial Gazette, declare a demarcated area as a transitional informal settlement area.

(5.) In a transitional informal settlement area, land uses that may be approved as consent uses are limited to one or more of the following uses:

a. Place of child care (ECD);

b. spaza shop;

c. tavern;

d. religious purposes;

e. mobile clinic;

f. mobile home affairs;

g. mobile library and / or reading rooms;

h. waste / recycling facilities;

i. mobile police station; and

j. any other use that may be of primary need and to the satisfaction of the Council.

k. Exclusions - noxious industries

(6.) In a transitional informal settlement area, land uses shall only be permitted –

a. if approved in terms of Section 47. Part 2 of this By-law; and

b. if it is essential in providing basic community services.

(7.) The township establishment process or the rezoning process for a transitional informal settlement area shall be completed within three years from date of publication of the notice referred to in sub-clause (4.) but this may be extended by the council/ MAYCOM for a further period, considered necessary, if the process for formalisation has not been completed.

(8.) Once the township establishment process or the rezoning process for a transitional informal settlement area has been concluded, the declaration of that area as a transitional informal settlement area shall lapse and the use zone as allocated in the land use scheme shall prevail.

(9.) Where the Council requires to temporarily relocate occupants of informal dwellings in a transitional informal settlement area to another land portion for building or the purpose of establishing a township in that transitional informal settlement area:

a. The temporary relocation must be permissible in terms of this By-law and not exceed three years from the date of relocation; and

b. the temporary relocation and the associated land portion must cater for the land uses as contemplated under subsection (5.) and must be safe for human habitation.

(10.) The Council shall not unduly extend the boundary of an existing informal settlement or create a new informal settlement with the relocation of the occupants as part of the formalisation process of a transitional informal settlement area.

(11.) The council/ MAYCOM may not declare a transitional informal settlement area on land on which mining rights have been granted in terms of the Mineral and Petroleum Resources Development Act, 2002 (Act 28 of 2002).

Part 2 Transitional Informal Settlement Area: Permission to proceed with formalisation of Informal Settlements

(1.) In order to commence the formalization process referred to in Clause 47.(7.) above, the City of Johannesburg shall consider proposals to upgrade an informal settlement by consideration of submissions containing, at least the following documents:

a. The proposed layout plans, indicating existing and proposed uses including but not limited to residential, educational, social amenities, institutional uses and sports fields.

b. Locality Plan.

c. Zoning Plan and certificate.

d. Aerial Photograph.

e. Title deed – to indicate that the City owns the land.

f. Covering letter / motivation.

g. Annexure 9999, referencing the site, or

h. Provincial Gazette Notice, declaring the demarcated area as a transitional informal settlement area.

i. Any other information that will inform the decision.

j. The feasibility studies undertaken during the site identification process.

k. Public Participation to be undertaken.

(2.) Submissions shall be circulated to the various Service Departments / Municipal Entities for comments.

(3.) The permission to proceed with formalization of Informal Settlements shall be of a temporary nature not exceeding thirty-six (36) months.

Part 3 Consent Use in Transitional Informal Settlement Area

(1.) An applicant / developer who wishes to exercise the land uses referred to in Clause 47.(5.) of this Scheme, in a transitional informal settlement area shall apply to the Council for consent.

(2.) Where there is more than one person who has officially been granted the right to occupy the demarcated area/stand by the municipal department responsible for human settlements, an affidavit shall be submitted together with the land development application indicating that all such persons agree to the application as submitted.

(3.) The consent granted by the Council lapses if the land uses consented to are used contrary to the conditions of approval and the applicant shall cease the operation, failing which the law enforcement procedures contemplated in this Scheme shall be instituted.

(4.) Where a person is operating without a consent from the Council, the Council shall exercise the law enforcement process as contemplated in this Scheme to the extent that is relevant to the transitional informal settlement area.

(5.) In a transitional informal settlement area, no application shall be accepted by the Council for the rezoning, subdivision, consolidation, removal of restriction or any other application other than the application contemplated in this section.

(6.) If the application is approved by the Council, it shall link the rights granted in the consent to the informal dwelling structure number and the name of the person who has officially been granted the right to occupy the dwelling by the municipal department responsible for human settlements.

(7.) For the purpose of this part, an applicant is the person who occupies the informal dwelling and has officially been granted the right to occupy the dwelling by the municipal department responsible for human settlements.

Part 4 Development Guidelines (as previously contain in Annexure 9999)

(1.) Density and minimum sizes of sites for residential uses shall be determined as part of the layout plan.

(2.) The construction and sitting of these structures shall be regulated by the application of the 'deemed to satisfy" rules in SABS 10400 and SABS 040 - Building Regulations for Informal Housing.

(3.) The local authority shall have the discretion to supplement these requirements / guidelines to apply in specific settlements, bearing in mind the intention for the progressive formalization and upgrading of these settlements.

(4.) In those instances where the layout plan has progressed to the identification of individual stands the number of buildings / structures which may be erected on the identified residential stands shall be restricted to one main dwelling/structure and one subsidiary 'backyard' unit per stand unless the written consent of the local authority is requested on application.

(5.) The local authority reserves the right to decline or approve such application.

(6.) For any new structures on individually identified stands on the layout plan, a minimum width of one metre along all boundaries shall remain free of any structures. No solid walls may be used to define boundaries. Permeable fencing may be used if an occupant wishes to secure the stand. This restriction may be relaxed on submission of a written consent to the local authority.

(7.) The height of any structure on the residential sites shall not exceed one storey without the permission of the local authority, which permission may be declined, granted or approved subject to such conditions relating to the submission of a building plan as defined in Annexure SABS 0401 - Building Regulations for Informal Housing.

(8.) The coverage on individually identified stands on the layout plan may not exceed 60% without the written consent of the local authority, which permission may be declined, granted or approved subject to such conditions as the local authority may impose.

(9.) After the layout plan is approved by the local authority, the occupier of a residential structure may apply in writing, to the local authority to permit a new alternative land use on the site. The identified occupier of the structure as per approved register must submit such application in writing to the local authority.

(10.) The application must be accompanied by written confirmation from all registered occupants of all adjacent structures or stands that they have been notified and indicate their support or no support for such application. (Refer to Part 3 Consent Use in Transitional Informal Settlement Area above.)

(11.) The local authority may decline or approve such application subject to conditions. The local authority shall keep a register recording the decisions of such applications. If the application is granted, the layout plan shall be endorsed accordingly to reflect the land use change.

(12.) If any site is used in contravention of these conditions the local authority may give the occupier notice in writing requiring him/her to rectify such condition or contrary use within a period of 30 days from such notification, failing which further legal action shall be instituted in terms of the relevant legislation.

(13.) The provisions and conditions as set out above shall prevail on the identified and demarcated "Transitional Residential Settlement Area" as indicated on the layout plan, notwithstanding whether a zoning is applicable or not.

Part 5 Occupational Permit in Transitional Informal Settlement Area

(1.) A person or persons who are granted occupancy rights by the department of human settlements, must have interim occupancy permit as a household.

48. INCLUSIONARY HOUSING

Inclusionary Housing shall be provided in terms of the provisions of the Spatial Planning and Land Use Management Act, 2013 (Act 16 of 2013) and the City of Johannesburg Municipal Planning By-law, 2016, (as amended, 2023), as set out further in the Spatial Development Framework (SDF) / detailed policy to be fully determined by the Council, which shall be addressing the methodology for levying Inclusionary Housing contributions and/or the provision of inclusionary dwelling units.

PART IX:
GENERAL LAND DEVELOPMENT MECHANISMS

49. HERITAGE

All properties are subject to the National Heritage Resources Act (NHRA of 1999). In checking for heritage controls which may be applicable, the following factors should be considered:

(1.) In terms of the National Heritage Resources Act: No person may destroy, damage, deface, excavate, alter, remove from its original position, subdivide or change the planning status of any heritage site without a permit issued by the heritage resources authority responsible for the protection of such site.

(2.) The National Heritage Resources Act provides for the designation of heritage areas by a planning authority together with the provincial heritage resources authority. Such properties are either gazette or part of a heritage area or an individual heritage site.

(3.) In terms of the National Heritage Resources Act: No person may alter or demolish any structure or part of a structure which is older than 60 years without a permit issued by the relevant provincial heritage resources authority.

(4.) Development shall meet the following criteria set out in the National Heritage Resources Act :

(a.) The construction of a road, wall, powerline, pipeline, canal or other similar form of linear development or barrier exceeding 300m in length;

(b.) The construction of a bridge or similar structure exceeding 50 metres in length;

(c.) Any development or other activity which will change the character of a site -

(i) exceeding 5 000 m^2 in extent; or

(ii) involving three or more existing erven or subdivisions thereof; or

(iii) involving three or more erven or divisions thereof which have been consolidated within the past five years; or

(iv) the costs of which will exceed a sum set in terms of regulations by South Africa Heritage Resources Authority (SAHRA) or a provincial heritage resources authority; or

(v) the rezoning of a site exceeding 10 000 m^2 in extent; or

(vi) any other category of development provided for in regulations by South Africa Heritage Resources Authority (SAHRA) or a provincial heritage resources authority.

(5.) In terms of the Act 'must at the very earliest stages of initiating such a development, notify the responsible heritage resources authority and furnish it with details regarding the location, nature and extent of the proposed development. The heritage resources authority will then advise whether an impact assessment report is required.

50. ENVIRONMENTAL CONSIDERATIONS

(1.) Open space Use Zones and Definitions

It is recognized that land for passive and active recreational activities is not the same as land which is reserved / preserved as open space for the protection of ecologically sensitive systems or for the intrinsic ecosystem services which it provides.

For the above reason the following land uses within the "Public Open Space" and "Private Open Space" Use Zones shall be defined.

The following environmental / open spaces have been defined:

(a.)	Social Open Space	:	Open space for parks / landscaped / horticulturally transformed areas, and for active and passive recreation activities.
(b.)	Ecological Open Space	:	Open space for the conservation and/or protection of natural areas.
(c.)	Protected Area	:	Formally proclaimed areas in terms of the National Environmental Management Act.

When a site is rezoned or a township is established the appropriate open space category as defined above must be allocated to the applicable open space Use Zone.

Recycling facilities are not permitted within any "Open Space" Use Zones.

If any structure is permitted in any "Open Space" Use Zone, these can only be erected in terms of an approved Site Development Plan as per Clause 39.

(2.) Environmental Control Areas

An Environmental Control Area is an area defined by the Council within which any development shall be subject to a Site Development Plan or any other requirement as determined by the Council.

(3.) Catchment Management and Wetland Protection

(a.) Flood line information :

Any information in relation to flood lines, wetlands and riparian zones, and relevant associated buffer zones shall be taken into consideration during the development of a site. Such information shall be clearly indicated on the Site Development Plan.

(b.) Restrictions on development within floodplains, riparian zones and wetlands

No development shall be permitted within the area which is subject to flooding by a 1:100 year flood or within the riparian zone and a buffer area of thirty (30) metres from the edge of the riparian zone or river bank where this is clearly identifiable, whichever is the greater. Taking into consideration the Environmental Impact Assessment Regulations, 2014 (as amendment) and the National Water Act./ applicable legislation, policies, guidelines.

51. PROMOTION OF ENERGY EFFICIENCY GUIDELINES

The assessment of applications shall be done in accordance with the policy guidelines and criteria as adopted by the Council. Developers should be encouraged to consider alternative forms of energy, renewable sources of energy and building design paradigm that embraces energy efficiency.

The visual impact of the energy efficiency measures shall be indicated on the Site Development Plan and the design materials / screening shall be specified.

52. AESTHETICS MANAGEMENT WITHIN PRECINCT PLANS WHERE URBAN DESIGN GUIDELINES HAVE BEEN DETERMINED

(1.) The owner of any land upon which a building is to be erected shall, prior to the commencement of the erection of the building, submit to the Council for its approval of the external appearance of the building:

(c.) drawings or any similar indication sufficient to enable the Council to consider the proposed external appearance;

(d.) a description of the materials to be used in relation to the external appearance;

(c.) a plan to a scale of 1:500 showing the position of buildings on the site, and the relationship between such buildings and buildings on adjoining sites.

(2.) In considering particulars submitted to it for approval in terms of Sub-clause (1.) the Council shall have regard to whether, on account of the character of the locality or of the buildings erected, or to be erected, thereon, the external appearance of the building would adversely affect the visual aspect of the environment.

(3.) The Council shall either approve or disapprove of the proposed external appearance of the building, in accordance with the stipulated standards detailed where Urban Design guidelines have been determined.
