

I understand and agree that the Council through the Department of Development and Planning and Directorates may inspect the property to confirm the dominance use of the property. I undertake to advise the Council in writing should the usage of the property be changed from dominant residential to any other form of commercial use.

I further understand that this residential tariff, if granted, is personal to myself as the present owner and will not be passed on to a succeeding owner of the property, without appropriate application and approval by council.

I attach, hereto, a certificate issued by a professional Architect certifying the 50+1% residential dominant usage.
