### **Joburg Mayor Appoints Members of the Disciplinary Board**

Johannesburg - The City of Johannesburg is pleased to announce the appointment of members to the Disciplinary Board, a crucial step in upholding financial integrity and accountability within the municipality. This decision comes following a Council resolution on the re-establishment of the board and the approval of its Terms of Reference.

The Disciplinary Board, mandated by the MFMA, serves as an independent body responsible for investigating allegations of financial misconduct. Its key role is to recommend appropriate actions, including disciplinary and criminal proceedings, against individuals implicated in financial wrongdoing.

The composition of the Disciplinary Board aligns with Regulation 4(6) of the Municipal Regulations for Financial Misconduct Procedures and includes:

- A member from the Group Audit Committee.
- A senior representative from Group Legal and contracts Department.
- A senior representative from Group Risk and Assurance Services and the alternate.
- A senior City official deemed fit by Council, as well as,
- A senior official deemed fit by Council as a replacement of a representative from National or Provincial Treasury

These members have been carefully selected based on their expertise, integrity, and commitment to upholding good governance practices.

The City is confident that the re-established Disciplinary Board will play a vital role in expediting investigations, recommending sanctions, and ensuring accountability for any financial misconduct within the municipality. This proactive approach demonstrates the City's commitment to transparency and ethical conduct in all its operations.

We look forward to the positive impact that the Disciplinary Board will have in maintaining financial integrity and upholding the highest standards of governance within the City of Johannesburg.
