Residents Reminded to attend Integrated Development Plan (IDP) Sessions in Various Regions

[City of Johannesburg, 11 April 2024] - The City of Johannesburg continues its commitment to creating a city of inclusivity, opportunity, and transformation by emphasizing the importance of public participation in decision-making processes through the Integrated Development Plan (IDP).

The IDP is a vital tool used by local governments to ensure that the voices and opinions of community members are heard and considered in the planning and development of the city. Following community-based planning meetings and thorough analysis of inputs, comments, and suggestions, the draft IDP for the financial year 2024/25 has been approved by Council for public consultation.

Residents are encouraged to review the draft IDP on the City's website at www.joburg.org.za and provide their valuable feedback and input.

To further facilitate public participation, the City has scheduled a series of IDP sessions in all seven regions. While some meetings have already taken place, residents are reminded to attend the upcoming sessions in their respective areas to have their voices heard and contribute to shaping the future of the city.

The schedule for the remaining IDP sessions is as follows:

REGION	DATE	TIME	VENUE
C	Wed 17 Apr 24	16:00 – 20:00	Roodepoort City Hall
D1	Sat 13 April 24	10:00 – 13:00	Dhlamini MPCC
D2	Sat 20 April 24	10:00 – 13:00	Orlando Communal Hall
E	Tue 16 April 24	16:00 – 20:00	Jabula Recreation Centre
F	Thurs 18 April 24	16:00 – 20:00	Brixton MPCC

Residents are encouraged to participate in these sessions, provide feedback, and propose changes before the final draft of the IDP is presented to Council for approval.

For more information and updates on the IDP sessions, please visit the City's website.

Let's work together to build a city that reflects the needs and aspirations of all residents.
