Customer Notice

Johannesburg Water systems recovered following Phase 3 Rand Water maintenance

Johannesburg Water's systems have recovered and are supplying normally following the third and final phase of the Rand Water maintenance. However, full restoration in certain parts can take up to several days.

Braamfischerville Reservoir and Direct Feed

Both the Braamfischerville Reservoir and direct feed are back to normal and supplying adequately.

Meadowlands Reservoir and Direct Feed

Meadowlands Reservoir is also back to normal and supplying fairly; however, the direct feed has not yet fully recovered as full restoration in certain parts can take longer.

Doornkop Reservoir and Direct Feed

Both the Doornkop Reservoir and Direct Feed are back to normal and supplying fairly.

Fleurhof Reservoir

The Fleurhof Reservoir is supplying adequately.

Roodepoort Deep Direct Feed

The Roodepoort Deep Direct Feed is supplying normally.

Johannesburg Water will monitor the restoration phase and attend to airlocks.

Ends

Issued by: Johannesburg Water Communication and Marketing.
