CITY POWER HITS THE STREETS TO SPOT AND FIX FAULTY STREETLIGHTS

08 October 2026

City Power will this evening undertake a streetlight spotting and maintenance tour across Johannesburg to identify faulty streetlights and carry out maintenance where required, as part of efforts to #LightUpJoburg and improve safety for residents, motorists and pedestrians.

The City of Johannesburg Executive Mayor, Cllr Dada Morero, will lead the operation, joined by City Power Acting Chief Executive Officer (CEO) Charles Tlouane and Acting Chief Operating Officer (COO) Anza Mudau, who will join teams on the ground.

Members of the media are invited to join the tour, observe the work first-hand and engage with City Power officials on streetlight maintenance and challenges affecting the network, including theft and vandalism.

Planned route: The tour will depart from Bryanston and proceed via Winnie Mandela Drive, Sandton Drive, Grayston Drive, and the M1, with possible stops near Malibongwe Drive/Northgate, London Road, Modderfontein/Edenvale, and Louis Botha Avenue.

Date: Thursday, 08 October 2026

Meeting Point: 8 Homestead Ave, Bryanston

Time: 18h00
