Little Falls Resort ready to make a splash this summer

Summer is around the corner, and Johannesburg City Parks and Zoo (JCPZ) is getting Little Falls Resort in Roodepoort ready to welcome families and visitors looking for an affordable day out surrounded by nature.

The swimming pool is scheduled to open for the summer season on 1 October 2026, subject to the appointment of lifeguards and cashiers by the City's Community Development Department (COMDEV).

The park is open seven days a week from 08:00 to 18:00, while the swimming pool will be accessible six days a week, from Tuesday to Sunday.

Mondays will be dedicated to intensive pool cleaning, water treatment and maintenance, helping to ensure that the pool remains clean, safe and ready for swimmers throughout the summer season.

On pool operating days, swimming starts at 10:00, allowing lifeguards and operational teams time to undertake routine morning inspections and safety checks.

The last admission to the resort is at 16:00, the pool closes at 17:00, and the resort closes at 18:00.

JCPZ has sufficient pool chemicals currently in storage, with an official purchase order already in place to procure additional chemicals required during the summer months.
