## **MEDIA ALERT FOR IMMEDIATE RELEASE**

**DATE: 25 JUNE 2026**

### **TRAFFIC ALERT: EXPECTED DISRUPTIONS IN JOHANNESBURG CBD & GLEN AUSTIN (MIDRAND) DUE TO THREE APPROVED MARCHES ON TUESDAY 30 JUNE 2026**

The Johannesburg Metropolitan Police Department (JMPD) advises motorists, commuters, and the public to expect significant traffic disruptions on Tuesday, 30 June 2026.

Three legally approved marches are scheduled to take place concurrently across the Johannesburg Inner City/Hillbrow and Midrand (Glen Austin) areas. Integrated law enforcement teams, including JMPD and SAPS Public Order Policing, will be deployed heavily across the city to monitor routes, manage traffic, and maintain public safety.

Significant traffic disruptions and delays are anticipated between 07:00 and 16:00.

Furthermore, integrated law enforcement teams will remain on high alert and will be actively deployed to monitor and manage the entire city before, during, and after the 30th of June. This proactive deployment is aimed at ensuring public safety, maintaining order, and swiftly responding to any other spontaneous protests, pickets, or gatherings that may arise during this period.

Motorists are strongly advised to avoid the affected streets and use alternative routes where possible.
