From OR Tambo International

Take the R24 to Johannesburg. Continue joining the N12 S. Continue straight on until the highway splits (Gileoolly's Interchange). Take the N3 Durban split. Drive on passing the Bedfordview, VanBuuren off-ramps. Take the M2 (Germiston- Johannesburg) off-ramp. Keep on the Johannesburg lane. The roads winds under the highway to the right. Continue straight on the M2 passing various off-ramps until you reach Rissik off-ramp.

You can:

Continue in the middle lane driving straight on passing off-ramps until the road splits. Take the Sandton/Pretoria split. Continue passing Carr off-ramp. Turn into Smit off-ramp. It winds under the highway. Drive carefully and indicate to the left as the road adjoins coming traffic from the left. Turn left and continue on Smit Street.

Drive on passing all the robots until you pass Harrison Street. Move towards the left lane as you will be turning left at the next robot (Rissik Street). Drive up the steep hill in the middle lane crossing the robots (De Korte Street). Keep in the middle lane so as not to drive in the Rea Vaya bus lane. Indicate right because as you pass the Rea Vaya bus stop you will be turning right into the public parking area.

OR

Take the Rissik off-ramp. The road winds under the highway. Continue driving on Rissik, through the CBD, for about 4km. You will pass Park Station on your right and cross Wolmarans and Smit Street. Drive up the steep hill, in the middle lane, crossing the robots at De Korte Street. Keep in the middle lane so as not to drive in the Rea Vaya bus lane. Indicate right because as you pass the Rea Vaya bus stop you will be turning right into the public parking area.

From Pretoria (N1 joining M1)

From Midrand continue taking the M1 S Johannesburg lane. Continue passing various off-ramps (Marlboro Drive, Grayston Drive, Corlett Drive, Glenhove, Atholl, Houghton) until you reach Jan Smuts. Turn onto Jan Smuts drive on until you reach Empire Road. Cross the intersection continuing straight up-hill and then down-hill.

Take the left lane as you will be turning left into Jorissen Street. Drive on passing various intersections until you reach the park on your left. The road will curve to the left and there you will see a BRT station (Rea Vaya Bus Stop). As you turn take the middle lane. Start to indicate to the right as you will be turning right after passing the Rea Vaya bus stop. The public parking is situated on the right.

From the South (M1 South)

Drive passing BP garage and Goldreef City Casino on your left. Continue passing Booysens and Crown off-ramps. Keep on the left lane as the road splits. Take the Sandton/Pretoria lane. Continue passing Carr off-ramp. Turn into Smit off-ramp. It winds under the highway. Drive carefully and indicate to the left as the road adjoins coming traffic from the left. Turn left and continue on Smit Street.

Drive on passing all the robots until you pass Harrison Street. Move towards the left lane as you will be turning left at the next robot (Rissik Street). Drive up the steep hill in the middle lane crossing the robots (De Korte Street). Keep in the middle lane so as not to drive in the Rea Vaya bus lane. Indicate right because as you pass the Rea Vaya bus stop you will be turning right into the public parking area.

From down-town (Newtown)

Come up Ntemi Mpiliso onto the Mandela Bridge. Continue straight on Bertha / Jan Smuts. Take the right lane as you will be turning right into Jorissen Street. Drive on passing various intersections until you reach the park on your left. The road will curve to the left and there you will see a BRT station (Rea Vaya Bus Stop). As you turn take the middle lane. Start to indicate to the right as you will be turning right after passing the Rea Vaya bus stop. The public parking is situated on the right.

From the West (Main Reef Rd / Roodepoort)

Continue on Main Reef Road, passing Langlaagte Testing station. Pass Church Street, continuing until the next set of robots. Take left to M1 on-ramp. Continue, keeping left, taking the Sandton/Pretoria split. Continue passing Carr off-ramp. Turn into Smit off-ramp. It winds under the highway. Drive carefully and indicate to the left as the road adjoins coming traffic from the left. Turn left and continue on Smit Street.

Drive on passing all the traffic lights until you pass Harrison Street. Move towards the left lane as you will be turning left at the next traffic light (Rissik Street). Drive up the steep hill in the middle lane crossing the robots (De Korte Street). Keep in the middle lane so as not to drive in the Rea Vaya bus lane. Indicate right because as you pass the Rea Vaya bus stop you will be turning right into the public parking area.
