

# GENERAL VALUATIONS ROLL

## STEP-BY-STEP JOURNEY FROM VALUATION TO IMPLEMENTATION

### STEP 1: VALUATION

Properties are valued as part of the General Valuation process.

### STEP 2: VALUATION ROLL

Property information and valuations are compiled into the General Valuation Roll.

### STEP 3: PUBLIC INSPECTION

The Valuation Roll is opened for public inspection during the prescribed period.

### STEP 4: CHECK YOUR PROPERTY

Property owners should inspect the valuation and property information applicable to their properties.

### STEP 5: OBJECT IF NECESSARY

Where a property owner disagrees with an entry in the Valuation Roll, an objection may be lodged in accordance with the prescribed process and timelines.

### STEP 6: IMPLEMENTATION

Implementation of the Valuation Roll.
