## **SPECIFICATIONS**

### **TERMS OF REFERENCE FOR RENDERING OF TRAINING SERVICES TO COOPERATIVES**

#### **1. PURPOSE**

The purpose of these Terms of Reference is to solicit quotations for the procurement of business training services for a two (2) day training of cooperatives for the City of Johannesburg (CoJ), Sustainable Employment Facilitation (SEF) Directorate within the Department of Economic Development to be held between the 12<sup>th</sup> to the 15<sup>th</sup> of March 2018.

#### **2. BACKGROUND**

The Department of Economic Development (DED) is tasked with support and development of the SMME environment, a significant component of which is the development of co-operatives. During the end of 2008 the City of Johannesburg adopted a co-operatives policy and implementation strategy. The latter details the support measures and instruments that would be used to ensure the development of co-operatives sector in the City. The Department of Small Business Development which is the custodian of co-operatives, in its Integrated Strategy on the Development and Promotion of Co-operatives (2012-2022) has identified co-operatives sector as the economic engine for poverty alleviation, job creation and can contribute in economic development.

In 2013 there were 22 030 co-operatives listed on the Companies Intellectual Property Commission database. The City of Johannesburg is rated as one of the metros with the highest number of co-operatives in different sectors registered with the CIPC. According to the baseline study commissioned by the Department of Trade and Industry, only 12 per cent of co-operatives could be confirmed to be operational and this state of affairs could be attributed to, inter alia, lack of skills generally required to run a business entity, resources and the struggle to withstand competition from private business. This intervention is a response to the challenges cited above, particularly, the one that relates to lack of skills. It is our belief that this training will provide members of co-operatives with the necessary skills to run their business efficiently and contribute in the sustainability of the co-operatives.

One of the City's priorities is Economic Growth in which there is commitment to grow the economy by 5% GVA. It is in a growing economy that jobs can be created. EPWP is a temporal relief to the unemployed and seeks to provide skills to the unemployed so that they can gain skills and jobs or

start businesses. EPWP has a focus on youth and women who are usually the most affected by unemployment as these are usually the most vulnerable. EPWP projects or training gives the unemployed an opportunity to earn an income and is about creating work opportunities. The City has very high unemployment levels and cooperatives can contribute towards employment creation. DED supports cooperatives through the cooperatives sub-unit.

The City of Johannesburg's Department of Economic Development (DED) within the Directorate of Sustainable Employment Facilitation is in the procurement process in terms of Regulation 26(1) (b) of the Municipal Supply Chain Management Regulations for the appointment of a service provider to procure business training for a two (2) training of cooperatives for the City of Johannesburg (CoJ), Sustainable Employment Facilitation (SEF) within the Department of Economic Development to be held between the 12<sup>th</sup> to the 15<sup>th</sup> of March 2018. The number of participants are 300. The venue will be at the Metro Centre, Reception Hall, Braamfontein.

### 3. **SCOPE OF WORK**

The appointed service provider will be required to provide basic business training for **300 participants** on the following:

**3.2 Basic Financial Management** – understanding and appreciating financial management is crucial in the management of a business. Areas of focus to include pricing, break-even point, income statement as well as understanding the cash flow.

The service provider will be expected to pay all participants a training stipend as stipulated in the EPWP guidelines and the Ministerial Determination and City of Johannesburg EPWP stipend guidelines. To enable reporting of participants as trained EPWP beneficiaries, all participants must have the following:

  - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
  - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

**<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.**

**<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.**
