

MIS'UMTHETHO - **Joburg Bylaw Awareness Campaign**

Be a Bylaw Champion, protect our city

The City of Johannesburg has various bylaws in place to maintain law and order while building a liveable world class African City.

These bylaws are the rules and regulations set by the Municipal Council in line with the Constitution of the Republic of South Africa to make the municipality governable.

Bylaws govern how we all interact with the City, its infrastructure and services to protect our mutual municipal interests and make our communities safe and liveable for all.

Be a Bylaw Champion and report any bylaw infringement around you on 011 375 5911
