

# SKIP BIN HIRE

WE DO BETTER  
*Together*

## DID YOU KNOW?

**We provide you with a service for skip bin hire, when you need it.**

In an effort to avert illegal dumping, Pikitup offers a skip bin hire service up to a maximum of seven days for domestic residents and businesses. The service is offered for rubble removal, garden waste and other household waste not collectable by the normal 240lt bins.

The charge for an adhoc skip is per service, which means that a customer pays upfront for every service required. The skip can be kept for the maximum of seven days.

To hire a skip, residents can contact Pikitup's in-house call centre on 010 055 5990

**JOIN US IN MAKING JOBURG A BETTER PLACE.**

We urge all residents of the City to apply the basic principles of waste management:  
Reduce, Re-use, Recycle when disposing of waste.
