DEPUTY DIRECTOR: HIV, AIDS, SEXUALLY TRANSMITTED INFECTIONS (STI) AND TB CONTROL PROGRAMME (TBCP)

DEPARTMENT:	Health
BRANCH:	Public Health
DESIGNATION:	Deputy Director: HIV, AIDS, Sexually Transmitted Infections (STI) and TB Control Programme (TBCP)
REMUNERATION:	R57 490,39 – R78 204,34 pm (basic salary, excluding benefits)
LOCATION:	Central

Minimum Requirements:

- Matric plus a Bachelor's Degree in a Health related field at NQF level 7;
- Professional Registration;
- Valid Driver's license;
- 7 – 9 years' experience after Basic Professional qualification in Nursing, Health, and/or Social Sciences;
- 4 years or more experience in middle to senior management within health services is essential;
- 5 years or more experience in the Primary Health Care setting;
- At least 7 years' experience in the relevant HIV, TB and STI coordination and implementation environment, of which 5 years spent in mainstreaming HIV, TB and STI response in collaboration with government, private, civil society sectors, and NGOs including local development partners/agencies;
- In-depth knowledge of HIV, TB & STI prevention and treatment guidelines, Governance structure, and Systems is required, and evidence-based planning to direct the Municipal's response to the epidemic, to control implementation and ensure favourable outcomes;
- Basic knowledge of Primary Health Care, Public Health, and Human Resources (HR) concepts and functions.

Primary Function:

Develop, manage, and oversee the HIV, AIDS, STI and TBCP (Tuberculosis Control Programme) [HAST] programmes in Johannesburg. This involves ensuring that policies, procedures and standards align with the National Strategic Plan for HIV, AIDS, TB and STI. The aim is to make HIV, AIDS, STI and TB services accessible to the City's communities, thereby reducing the incidence and prevalence of these diseases in Johannesburg.

Key Performance Areas:

- Provide the direction, planning, support and leadership to ensure that the National norms, standards, guidelines, procedures and policies are accurate, workable and project-compliant within the set IDPs and/or Strategic departmental objectives;
- Lead the Directorate's Service Delivery and Budget Implementation Planning (SDBIP) process to ensure programmes and projects are properly costed and budgeted for, for smooth implementation;

@CityofJoburgZA 

@CityofJohannesburg 

CityofJoburg 

- Lead and facilitate the Sub-Directorate's Performance Management Planning process to enable effective implementation, monitoring, control and reporting on the Sub-Directorate's performance;
- Lead and manage the development of the Sub-Directorate's Personal Development Plans (PDP's) process to ensure continuous learning and development of the staff for the achievement of the Section's goals and objectives;
- Ensure effective and efficient Sub-Directorate's functions, processes, procedures, systems and policies to enable that resources are coordinated in a most effective and efficient manner to enable the achievement of the Sub-Directorate's objectives;
- Lead the Recruitment, Selection and Placement process for sourcing suitably qualified staff for the Directorate to ensure that correct talent is properly recruited and optimally used to enable the achievement of the Sub-Directorate's objectives;
- Provide sound leadership for the achievement of the Directorate's objectives to ensure a work climate conducive to promoting and sustaining high staff motivational levels and productivity, whilst identifying and effectively managing staff challenges and developmental needs;
- Direct the delivery of the District Health Systems Quality Assurance and Citizen Mobilisation Services for improvement and strengthening of District Health Systems Development programs in the city, ensuring delivery in line with national and provincial frameworks and improving implementation to effectively address community needs;
- Ensure effective control of the Sub-Directorate's Human Resources in order that the Section's KPI targets are achieved;
- Ensure effective Sub-Directorate's Financial Resources control to enable the City to achieve a clean audit, financial resilience and sustainability status;
- Ensure effective Directorate Assets Management and Control to enable the City to achieve a clean audit, financial resilience and sustainability status;
- Implement good governance and effective risk management systems for the establishment of sound governance practices, efficient risk management systems, and better compliance with regulations, ultimately delivering quality services to stakeholders and improving service delivery while promoting accountability and transparency;
- Ensure effective control of the Sub-Directorate's Human Resources to ensure that all business stakeholders are informed about the Directorate service offering and their role in ensuring the delivery of services in a more effective and efficient manner;
- Ensure effective management of specific administrative and reporting requirements associated with the Directorate and individual performance in order to ensure effective administration support for the smooth operation and reporting.

Leading Competencies:

- Advanced Computer skills to ensure the ability to compile reports, keep database up to date; manipulate and analyse data; do presentations at meetings/training sessions/workshops etc.;
- Good written and oral communication skills in English and must be able to communicate and coordinate effectively with other stakeholders;
- Coordinating and intersectoral collaboration skills;
- Proficiency in Microsoft Suite (MS Office Packages, including Word, Excel, PowerPoint)
- Attention to detail and high levels of accuracy and excellent planning, organising, coordinating and time management skills.
