

Permanent Position**Department: Environment & Infrastructure Services Department****Branch: Impact Management and Compliance Monitoring****Senior Specialist: Compliance Monitoring****Salary range: R32 257.06 per month (basic salary excluding benefits)****Educational requirements and experience:**

- Degree in Environmental Management, Environmental Sciences, Conservation Management or Urban and Regional Planning/NQF level 7
- 5 years' experience in the field of environmental management, with 2 years' experience in compliance monitoring.

Job description:

The incumbent will manage all the environmental aspects of the City of Johannesburg operations and ensure compliance with the environmental legislative requirements in order to ensure resource conservation and sustainability in a resilient and livable City. In addition, he/she will assist in the development of regulatory tools (policies, principles and standards), which promote the protection of unique environmental assets of the City and minimise the impact on scarce and natural resources for future generations.

Applications for the above post, accompanied by a comprehensive CV, should be e-mailed to Isaacdube@joburg.org.za

Enquiries: Isaac Dube, tel. (011) 587-4310

This is an employment equity-targeted position and preference will be given to EE-targeted groups, including people with disabilities.

Closing date: 4 October 2017

The City of Johannesburg is an equal opportunity employer and reserves the right not to make an appointment.

Appointment will be made in accordance with the COJ's EE Policy.

Applications must contain at least 3 referees. An application letter together with a comprehensive CV must be forwarded to the contact details as mentioned above. If you have not heard from us within 6 weeks of the closing date, please consider your application unsuccessful.
